Our Grier Knights have started the season off with a bang! They have won 4 games and lost only one!

Defense on our team has improved game after game. In the Arlington game, our pass defense was rather weak. Both Arlington's touchdowns were scored off of long passes. After working on pass defense at practice, Grier played Shelby. Pass defense improved a bit but our pursuit on Shelby's wide plays was off.

The next game showed Grier's will to win. Our Knights held Huss to no score. They also kept Huss from having long possession with the ball. The next game with Wray turned out like the Huss game. Our defense held Wray to no score and gave our offense a chance to run many fine plays.

Recently Grier played with a much tougher team, Belmont. Even though Belmont supposedly has a good team, our Knights held them only 6 points. That touchdown was scored on a 40 yard pass. Our defensive squad has held opposing teams to only 31 points in 5 games.

Outstanding players on defense have been Mike Spurrier, Joe Rice, Charlie Owens, and Michael Davis.

We can't forget our offense. The head of our offensive team is the quarter back, Hugh Giles. He has been on target with his passing and has run many fine plays himself. Our big fullback, Mike Worsham, has begun to run hard. Steve Farish started off the season good. He has set up many touchdowns and run a couple himself. Ricky Correll is also adding yards to his name. He has run many touchdowns. Correll has also been doing a fine job at kicking Grier's extra points.

The line is also an important part of our team. The starting lineup has changed and rechanged. They have been weak at times but have come around rapidly to a strong team.

With these odds on our side, how can we lose! Let's hope our Knights will keep up the good work and win their next games. Let's go KNIGHTS!!

We kicked off. Randy Adams tackled the player on the second yard line. After the third quarter, Shelby still had the ball. Finally, Shelby had to punt. After a pass from Giles to Horne, we moved twenty yards. Another pass to Henderson for fifteen yards. Then a twenty-yards-to-go play. A bomb

was thrown to Farrish for the touchdown. The point was good and the score was 13-7. We attempted an outside kick, but failed, Shelby ran out the clock and the game ended Shelby 13, Grier 7.

The second half opened with the kick from Huss. Farish carried the ball to our forty-five. From there, we carried the ball to the scoring range. Correll carried the ball over for another six points. The extra point was missed. This left Grier with a victory over Huss twelve to nothing.

### GRIER STOMPS MUSTANGS

The game opened with the kick-off to Correll, who returned the ball a good thirty yards. After a rugged drive, we were forced to punt. Our defense held them and Francum returned the punt for ten yards. A twenty yard pass to Farish put the ball on their five yard line. After four downs and a loss of two the Mustangs took the ball on their own seven yard line. They were forced to punt by our hard-fighting defense. Farish returned the punt ten yards, and Correll carried the ball in for the touchdown. Then he kicked the extra point. The half ended 6-0.

After the kick to Wray, a fumble set up Farish's five yard touchdown run. After a thirty yard touchdown pass to Henderson, an inside kick set up a thirty yard touchdown run for Farish. We held them scoreless. The game ended 26-0, in Grier's favor.
