### President's Message...

As your president this year I am very pleased with the valuable support you have given me and our organization, and your willingness to serve on the Board of Directors, and various committees is commendable.

Our website has been established and is operational. It can be accessed at <http://www.flee-tech.com/ncccaea/>. I recommend that each of you visit our website periodically to keep informed on current and future developments.

Minutes from the latest Board of Directors meeting and the first Conference Planning Committee meeting have been posted on the website under the "Facts" section.

Clarence Smith and Angela Locklear have done an excellent job in organizing the Fall 2001 Conference Planning Committee and we encourage all of you to rally your troops and come to the conference on October 17-19, 2001 at the Sheraton Imperial Hotel in Durham, N.C. The theme for the conference is **"Change + Challenge - Opportunity."**

Please help us to increase our membership this year. Increase the number of vendors who attend our conference, and keep the NCCCAEA active, strong and vibrant.

When the going gets tough, the tough get going. The NCCCAEA needs you, and you need the NCCCAEA. We will see you in Durham.

**Floyd P. Horton**
