

THE MESSENGER

Published Monthly

By the Harriss and Covington Hosiery Mills, Inc.

HIGH POINT, N. C.

At the Christmas party service pins and buttons were awarded those who had completed 5, 10, 15 and 20 years service during the past 12 months. Of all of the assets of a business, the old and loyal employees constitute one of the greatest, and it is both a compliment to the employee and employer that conditions have been pleasant and harmonious, and they have continued to work at the same place for so long.

We hope that we shall have an increasing number wearing the buttons each year. All who wear a pin are to be congratulated. We are proud of you and glad to have you with us. May you be here for many years to come, and, to you and all the rest, our best wishes for a very happy and very prosperous New Year.

J. Welch Harriss

President.
