of it ortification with the master and up paids about any person and therefore I haid the master and up paids about any person when to work and our results have been grand thus far.

We star once d'augusted the hird sunday and about an extrement for treates of the school own and plants for results have been grand thus far.

We star once d'augusted the hird sunday and about an extrement for treates of the school own and plants for results have been grand thus far.

We star once d'augusted the hird sunday and about an extrement for treates of the school own and there clubs to spoot at a hiterer date the office of the school own and there clubs to spoot at a hiterer date the office of the school own and there clubs to spoot at a hiterer date the office of the could be an extrement for treated and and it is decided to the colored and all is gold for the third.

We star once d'augusted the hird shouls in fact that the color of the school own and there clubs to spoot at a hiterer date the office of the colored and should be an extrement for the school own and there clubs to spoot at a hiterer date the office of the color of the school own and there clubs to spoot at a hiterer date the far failed of the color of th

decided to write.

I was first appointed to this station. November 1887. by the Rt. Rev. T. H. Lomax and reappointed last November 1888. Zion has 175 mam bers in this place. We own about 2 acres of land in the incoporate limits of the city. The people are kind and obliging, and love the cause of right. We have a beautiful building in course of erection, 58234, as finished but the luside work. When completed it will be one of the protects frame thurches in the East Alabama conference.

THE WORK IN TUSCALOOSA. State, and our attendance is about 150
We are growing in connectional interest is evidently seen, for last year we puid \$66 on General Fund which was one dollar more than any previous

Ward, Bosson, Barnes and a best of others with a number of good sistars who have taken care of preachers for years in this city of oaks whose names are too numerous to moniton.

Hence the church is in a passing condition.

The city of oaks is on a boom just now of railway building from Montgomery to this city; both white and colored are interested in the subject, and are taking great care to visit conventions day and night to force the subject on the public mind.

FROM TUSKEGEE, ALA.

Mr. Editor:

It has been a long time; since I have written an arricle to the was an attacher of the work, I have decided to write.

It was first appointed to this station. November 1888. Zion has 175 man.

November 1888. Zion has 175 man.
