

**YOU'LL
BE TRAVELING
THE TOKYO
ROAD TOO...**

**...when you welcome the
Victory Volunteer**

... As you read this, your armed forces are fighting their way toward the great victory. Every American must do his part—that means every American must back this greatest of all War Bond drives—the mighty, urgent Seventh!

TWO BIG DRIVES IN ONE!

... Last year, by this time, you were asked to subscribe in two drives. Since this is the first drive in 1945, we must be ready to back it up to the hilt. That means you must substantially increase your bond buying during the Seventh. ... Let's get ready now to welcome the volunteer salesmen with a generous heart and an open pocketbook. Thousands of men, women, boys and girls are giving their time to take your bond subscriptions. They know

how vital this drive is—show them you know, too, by buying bigger, extra bonds.

... If you have any income, from any source—whether from work, land or capital—you have a personal quota in this drive. Find out what it is—and be ready to do your share when your victory volunteer calls.

... The need is greater than ever before. As we push closer to victory, the cost of waging war gets higher and higher. More guns, more ships, more planes are needed every day. That's why we must put every ounce of effort behind the Seventh War Loan. And remember, too, war bonds are still the world's safest investment—they represent savings for your future—victory for your country.
