Already, it's probably the oldest car you ever owned... with a long way still to go..." "And summer's extra hard on cars. Heat increases friction wear on moving parts. Batteries often run dry. Tires take a terrible beating..." "So get a little scared... and see your Esso Dealer right now. Let him put in fresh summer-grade Esso Motor Oil. Let him give you correct summer-protective lubrication. Let him check your battery and tires. Don't risk wear that needn't happen. Protect yourself today..."
