### POISONING OF TWO Weoten, who is treating the two

autopsy which was said to have dispatched to the Tuskegee leader this week been scheduled on the body of the ducted by the State laboratoric Dr. Weeten, who had declared i

ability to excuse the case on Tues day night because all of its 're ords were at the bospital", could not be reached for comment be fore press time Wednesday. Mrs. Hall, however, reported following a visit to the hospital on Wednesday afternoon that the doctor had told her that they were anable to make a medinite statement on the cause of the children Allness although their condition

"was much improved" She was also told that tests made at the hospital had shown "ne signs" of poisoned candy. Mr. and Mrs. Luther Hilliard.

parents of one of the stricken children arrived in Raleigh on Monday from New York City where they are currently residing

## DAVIS. WINSTON

The counsel for the defense ha centended that the appearance of the courthouse represents a "state of armed seige", and on Monday asked that the policemen be re-Louis McCabe of Philadelphia

one of the defense lawyers, declared that when th emembers a the panel jury were confronted by the display of "armed force" they were afected, "in their minds' The petition to remove the

guards, however, was overrufled. Basis of Defense

The communists, it was reported, plan to use as their defense the old law guaranteeing changes of venire and venue, stating that the panel of jurors selected was of the "blue ribbon" variety and not

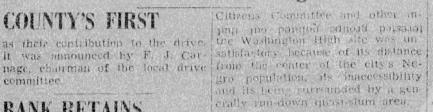

"peers" of the defendants The change of venire will likely be asked because of the defense's contention that enpancled juror. had already been effected by the show of "armed force" outside the courthouse in lower Marhattan.

## COUNCIL OK'S

Smith to Lenoir, and Lenoir, from Project Drive to Church Street. The following streets which now cut through the proposed site were recommended for closing Church, from Boundary north to Worth Street; Worth, from Church west to Smith Street, and Smith from Project Drive north to Lenois

The request for the construction of a new school on a site other than that now occupied by the Washington High School was made to school and city officials last spring following announcement of plans for the expansion of Washington High School in an effort to make it satisfactory to take care of the city's Negro secondary school

Following announcement of those plans, however, the Raleigh Negro

tant eachier Raleigh Branch; T. D. Sthool Superintendent Jesse O. Parham, trust officer and J. S. Sanderson with members of the President Spaulding reported to ferences with other city officials, the stockholders and directors that a population cheek was undertakthe bank had experience hgibly suc- or by the citizens committee which cessful operations during the year showed that the highest percentage 1948, which marked the fortieth of the city's Negro secondary school anniversary of the bank Total re- population fived in the eastern secsources at the end of the year tion of the city and that the popu-were \$5,336.328.64 of which \$4. lation drift was in that direction.
