A Prayer for Army Day

Major General Luther D. Miller, U. S. Army Chief of Chaplains

O cternal God, who art a shield and buckler to all who put their trust in thee, bless us, the servants, and the army in which we serve: lead us and guide us by the good spirit. strengthen and befend us by thy might, that we may be to our land a sure defense against every enemy: support us in the day of battle, and in the time of peace keep us safe from all evil: endow us with courage and loyalty, and grant that in all things we may serve thee and our country without reproach: let the light of thy countenance, O God shine upon our comrades departed, that they may go on from strength to strength in the heavenly kingdom: strengthen us in our resolve to keep faith with all patriots and comrades-in-arms by fearlessly maintaining our liberties so nobly won: grant us thy help, O God, that we, the members of the United States Army, may valiantly fulfill our role in the Armed Forces of our country as a sure, strong arm for national defense and a power for the establishment of a just and lasting peace.
