

JOHNSTON COUNTY

SHORT JOURNEY

BY MRS. ROSA E. MURPH

During our 4-H Club meetings girls are given an opportunity to take part in the various activities in which they are interested. It has been observed that quite a large number of pupils have exhibited remarkable ability in drawing. So far, the drawing classes have studied pencil, crayon, and blackboard drawings. During the next six weeks, we hope to offer a course in ink drawing and lettering.

Some of the pupils who have shown remarkable skill in drawing are: Charles McKay, Robert Smith, Callie Mae Estelle, Earl Davis, McKay, Ethel Lee Hodder, Josephine Archibald, Fred Archibald, Shirley Powell, Leroy Sanders, Passion Lassiter, William Dubbin, Jordan, Priscilla, William Dowd, Forges McAllister, Sylvester Sanders, Margaret Clark, Dorothy McPherson, Ruby Lee Smith, William Arthur Smith, Felton Gullay, Charlotte McElmurry, Joe Ahum, Royal, Sami Lassiter, Robert Lee Donston, and Hunter Mac Sanders.

The most outstanding work done in facial expression has been done by Charles McKay, a seventh grade pupil.

4-H CLUB ACTIVITIES

The Short Journey 4-H Club, under the leadership of Mrs. Dolores Sanders, Miss Dorothy Lee McAllister, and Mrs. Rosa E. Murphy, experienced a very successful year so far.

Mrs. Lucy H. Tolles, County Home Demonstration Agent, is working untiringly with the 4-H Club girls. They are gaining much practical knowledge in sewing, cooking, canning, and other phases of home-making. At present, the girls are working on their team demonstration, "Milk in the Dog," which is to be given at the Johnston County Fourth Annual Elimination Contest to be held at Four Oaks School, Four Oaks, N. C., on Thursday, April 21, 1949, beginning at 10:00 A. M. The information given through this demonstration is very interesting as well as practical.

Leroy Johnson, Johnston County Farm Agent, is doing an excellent job with the 4-boys. At present, they are making a study of dairy cows in order to be better judges of the same. They are also working on their team demonstration, "Caring For, Feeding and Marketing Eggs," which is very interesting and practical. Through the study and application of this material we are hoping that those who are present, and in the future, who are involved in the egg business will have a more profitable business.

The 4-H Club members who are participating in the Glee Club are preparing music to be rendered on the day of the Elimination Contest. The group is under the leadership of Mrs. Bertha B. Gillis, Director, and Miss Dorothy L. McAllister, Accompanist.

We have had a large attendance at each club meeting and the pupils, agents, and teachers-leaders are working hard to put over the best possible program.

A PRAYER FOR PEACE

Our Heavenly Father, whom we trust,

In whom we've found a Friend, This day we call upon Thy name, Our prayers to Thee ascend.

Lock down upon this sin-cursed world,

With Thy forgiving eyes;

Deliver us from war's alarms — Oh! Hear our mournful cries!

Our fathers chose Thee for their God;

To Thee they cried for peace;

Their prayers were answered, and in time

Their troubles came to cease.

Their prayers were answered, and in time

Their troubles came to cease.

Their troubles came to cease.
