FAYETTEVILLE PROGRESS BY HENRY M. L. JAMES

United Prayer We are told by means of an AP report of recent date, that the people of Italy were experiencing one of the greatest droughts which ever occurred within a twenty year period. The people of Rome and the nearby cities began to pray for rain. More than 400 churches participated in this prayer effort and God sent the rain.

Progress Among Ministers of the Alliance The Reverend D. T. W. Melius, president of the Alliance called the meeting to order at 11 a. m. Monday and the Dr. E. J. Gregg, chaplain was asked to conduct the devotional services. Our chaplain led us in singing the hymn "O God, Our Healer in Ages Past" which was followed by a responsive reading, "God's Care." The Reverend Henry M. L. James, vice president, was asked to make the invocation and the prayer. The hymns were closed with the hymn "Standing on the Promises." L. R. Sanders, Department of City Reception and guest of the Alliance, made clear the ministers' responsibility in connection with the program of recreation. It was announced the swimming pool would be opened on June 1.
