

AS TIME MARCHES ON

By W. W. STRUDWICK

TELL ME HOW

The tendency of the world today is to give priority to the destroying while they are yet able to snuff them. It is a good thing. Full credit has been given or deserved to many of our outstanding contributions to our day and civilization. But on the other hand, many less important so-called heresies and mistakes.

It with pleasure you are viewing spreads of it with pride and always as a custodian of its good name to be a man whose words carry weight to be boosted not a knocker, a pusher, but a leader, a motivator, a crop.

TO PASE MY EXPECTATION OR REWARD on a solid foundation of service rendered to be willing to pay the price of success and leadership. To look upon my work as an opportunity to be associated with my and make the best of and most painful drudgery to be endured to remember that success lies within me in my own brains, my own ambitions, my own courage and determination to expect difficulties and to face my way through them and turn the experience to a signal for future strength.

To live hard and well in my position to carry an air of optimism in the face of all possibility to dispel ill-temper with cheerfulness, kill doubts with strong convictions and reduce friction with an agreeable personality.

To make a study of my business to know every detail of my position from top to bottom. To maintain with my enthusiasm and desire in work to find time to do everything needed by never allowing TIME TO FIND ME DOING NOTHING. To hoard days as money boards dollars to make EVERY HOUR BRING ME INCREASED KNOWLEDGE OF HEALTHFUL RECREATION.

FINALLY to take a good grip on the joy of life, to play the game like a GENTLEMAN, to FIGHT NOTHING HARDER THAN FIGHT MY OWN WEAKNESS and endeavor to grow as a man in the sight of God and man with the passing OF EVERY DAY AS TIME MARCHES ON.

And so to THE GRADUATING CLASSES OF 1949-50 and to those who have gone on before us — we say — We believe that the above creed, whole or in part will stand the test of time. Each reading will bring the memory of all for better, young or old, full enough to assure the climbing fingers of doom when the urge comes to turn the whole volume into the case of the young inferno.

PEERING INTO THE FUTURE REFLECTIVELY.

AMERICAN SCHOOL CHILDREN IN THE HINDER AND IMPROVED Status of the Union to receive \$900,000,000. Fed aid per annum per member need if the budget passed by the Senate becomes a law. JOE LOUIS IS SUCCESSOR OF MIKE JACOBS IN DEED AND DEATH. Jacobs are correct. JOHNNIE GH CHRIST, son of Mr. and Mrs. Michael of 2221 Fayetteville Street, graduating on June 3 from the School of Medicine. A graduate of H. H. S. and NCC he will attend at Harlem Hospital, New York City. DOUBLE CONGRATS to friend Johnny — He'll graduate on June 3 and be wed on June 4. Such courage! DURHAM HAS SPOKEN.

The old timers have at long last stood up to the way of taxation without representation. When they legally ask for that which is just and due, we have

the moving finger.

A few weeks ago this pulse was turned into the observation that in each deed which excites the tremors of man occurs singularly. A young, successful executive student of society easily took the life of himself and mate. I gasped — you gasped. Last week another one was similarly thrust into the ken of a young woman faced three year old boy, who was the victim of our social and economic pattern which sometimes defies the mands of even THE ABSOLUTE. A dashingly dressed devoured his deepest possession — HIS SON — and failed in his efforts to destroy himself. There is no doubt bear out the fact that for the past years and age alike, NEED A SUSTAINING FORCE to sustain them through whatever the circumstances were leading up to these occurrences; none could induce the deeds.

Your roads today are entering these patterns of frustration and vexations, fraught with social and economic delays of expression and will be constantly punctuated with a feeling of uncertainty and unrest.

TO THEM WE HUMBLY OFFER THIS SELECTED CRED:

To respect my duty and myself to be honest and fair with my own as I expect my own to be fair with me to speak of my means of a method with regard

MINNEAPOLIS (ANP) — Aron Holmes, 27-year-old junior at the University of Minnesota won the Kring Gustav of Sweden award here last Wednesday night for helping Chinese students at the college. Holmes, a native of Emerson, Ark., was chosen for the award by the National Hill Commission, a Jewish organization, for making the biggest contribution during the year to interracial relations.

He had helped organize a dinner and other events to raise scholarship funds for Chinese students when they were threatened with loss of their education as inflation hit their native country. He was also active in half dozen other inter-group projects. A \$300 scholarship went along with the award.
