FHA HOME MANAGEMENT Supervisors -- The springtime big push" is on in family living enterprises with Farmers Home Administration families ably assisted by the above county home management supervisors. They are, top panel, left to right. Amanda M. Cummings, Georgia; Ruth B. Burns, Arkansas, Ernestine M. Tucker, Alabama; lower

panel, left to right; Jennie B. Marbles, Arkansas and Mildred

to noffice. Not shown are R.

Jaunita Wells, Georgia and Florence McGehee, Mississippi. These workers, trained in the field of home economics, help farm families who obtain production and ownership loans from the Farmers Home Administration with fundamental problems of family living, adequate food for the home, poultry raising, health, housing and money management. At this season the families are encouraged to plant gardens for maximum seasonal food supply and a surplus for preservation by canning and freezing for winter use.
