### MILT BUCKNER RETURNS TO HUB CITY HI-HAT CLUB

BOSTON, Mass,--Milt Buckner, whose exciting new band set the Hub City's jazz cult on its collective ear earlier in the summer in an engagement at the Hi-Hat Clue. will be one of the biggest events 7::00 p.m. Movies and Talent Show has returned to that mery for a repeat booking by popular demand, which got underway on August 31.

> The roly-poly former planist-arranger of Lionel Hampton's crew solidly established himself as a top musical favorite of Boston in his first appearance at the Hi-Hat and his quick return booking at the initery is ample evidence of the impression he made.

One of the big factors in maestro Buckner's fast rising popularity with Bostonians has been the tremendous play accorded his MGM platter of "Milt's Boogie" by the local disc-jockeys who have been spinning it almost daily ever since its release a couple of months ago, demonstrating once more the power of the disc-jockey.
