### TIGERS CONTINUE WINNING STREAK

Before a crowd of 1000 fans or more the Dillard Tigers continued their winning streak and undefeated season by defeating the West Street Warriors of New Bern in the Goldsboro Municipal Stadium Friday night, November 11, by the score of 28 to 6.

After playing the Warriors for even terms for the first half by the score of 6-6 the undefeated Tigers opened up an explosive second half rally to score three touchdowns in quick succession which enabled the Tigers to chalk up their 9th victory of the season, which keeps the Tigers the top team in the conference.

New Bern won the toss and kicked to Dillard and it was taken by Ward on the Tigers 19 yard line and brought up to Dillard's 35 yard line. Here Evans broke through smashing the line for 5 yards of tackle Everett. Dillard's mighty quarterback quick kick caught the warriors off balance. On the second play Ridley of the Warriors punted back to the Tigers' 45 yard line.

Here Green and Evans on snappers continued to run and roll up first downs. The Tigers fighting spirit began to work and with a four pass from Q. B. Everett to Ward put the ball on the Warriors' 1 yard line. Green plowed through the line for the first touchdown which put the Tigers in front 6-0.

As the fireworks continued to explode Dillard's kickoff was fumbled by Moore who piked up the ball on the 5 and raced back to the 18 marker where he was smashed down by "Big Boy" Topping. The West Street boys quick kicked up to the Tigers 50 yard line.

Evans, Green, and Coley begin a sustained drive deep down in New Bern territory, but penalties brought the ball back up the field where the Tigers lost their power and were held for downs. Everett

Coley, Green and Evans brought the ball up to New Bern's 1 yard line. Here the Warriors made a sand and held the Tigers for downs at the end of the third quarter.

New Bern took over and punted from their 1 yard line up to their 45 where it was Dillard's ball. Q. B. Everett shot a long pass down to Slim Albana who punted the ball for an incomplete pass. Another long pass from Q. B. Everett to Simmons, read over for the Tigers' second touchdown. Evans converted. Score Dillard 12, New Bern 6.

Dillard was defeated on the opposite side. Moore was injured on New Bern 27 yard line. The Warriors on a fake kick threw 2 pass which was intercepted by Ward who ran all the way for the Tigers third score. Dillard 15, New Bern 8. Baby-wins conversion was no good. Moore of New Bern took Evans' kick and raced up to Dillard 45.

Evans' feeling that the Warriors were going to the sky intercepted Moore's pass and galloped over for the fourth touchdown. Game time Dillard 20, New Bern 8.

The Tigers are going out for their next with the Little Blues of Washington High School of Raleigh in their home coming event at Goldsboro Municipal Stadium Friday night, November 11th.

**U. S. S. OLYMPIA, DEWEY'S FLAGSHIP, STILL ACTIVE**—The old grey fighter, which just 50 years ago returned in triumph from the victory of Manila Bay, lies peacefully at her slip in the Philadelphia Naval Base where she receives today as an "eagle of the sea" that earned plucking by the "harpies of the shore." Twenty-eight years ago she brought to the United States the body of the First World War's Unknown Soldier, and a year later was ordered to be scrapped. There was no slogan Oliver Wendell Holmes to write another "Old Ironsides" that saved the frigate. Constitution, Washington, forced the cancellation of the scrapping order. She's a proud ship still—just as trim and smart as on that May morning in 1898 when she led Admiral George Dewey's squadron into Manila Bay. She was rated a light cruiser of 4,500 tons and was commissioned January 2, 1894, and looks young for her 55 years. The illustration is from a photograph made when she participated in the Dewey Day exercises in New York harbor September 29, 1899. Today tens of thousands annually visit the U. S. S. Olympia.

## AFRICANS USE U. S. TACTICS IN GIVING JUSTICE

PRETORIA, South Africa (ANI)—South Africans seem to be picking up some pointers from the United States to augment its practice of racial segregation and two-system treatment. Last week, several committees proposed to send a deputation to the minister of justice to ask the Negro offenders sentenced to death be hanged publicly.

This move, proponents believe would convince Negroes generally "who do not believe that anyone is hanged." The demand is particularly strong in the Urcat district of northern Natal where recently three white women have been attacked and outraged.

So much like American southern whites have the South Africans become that the virtually unknown practice of lynching Negroes seems about to become a popular pastime. Recently in Urcat, a group marched on a jail and asked for delivery of a Negro suspect. They dispersed, however, when told the man had been removed.

### AUTO PLANTS AWE FOREIGN STUDENTS

Foreign students who visited a Detroit automobile plant recently, as part of a tour of industrial plants sponsored by the National Association of Manufacturers, were frankly skeptical when told that cars came off the assembly line at the rate of 180 an hour.

Their doubt changed to amazement as they saw a car completed every 29 seconds.

A New Zealand student observed: "No wonder a car costs only eight or nine months' work here, compared to two or three years work in New Zealand."
