Elder Hastings chose as his text the following quotation: "Paul said to the centurion and to the soldiers, 'except these abide in the ship, ye cannot be saved.'"—Acts 27:31.

He admonished Christians to remain in the "old ship of Zion", which he termed the church.

"Although we the Christians are tossed about, God will not leave nor forsake us", Christ said. "Upon this rock I will build my church and the gates of Hell shall not prevail," the Elder told the group in concluding his message.

Melon, juicy and ice cold, makes an exceptionally enticing summer dessert. A sherbert glass of melon balls, half honeydew and half canteloupe, topped with Frosted Mayonnaise Squares is a favorite of mine.

How to make mayonnaise squares: Combine 1 cup real mayonnaise with 1/2 cup heavy cream, whipped. Fold in 1/2 cup maraschino cherries, chopped, and freeze in a refrigerator tray. Cut in squares and serve on melon balls or other fruit dessert salads. P.S. If you've no melon ball cutter, use one of the spoons in your metal measuring spoon set.

Jewelry experts say "never" to the idea that pearls should be cleaned by dipping them in soapy water. The best and safest way is to carefully wipe them with a damp cloth.

A tip to teen-agers! Did you know your sneakers can be dyed to match your favorite sports ensembles? Just make an all-purpose dye solution of the desired color and apply with a small brush or sponge. Many of the younger set have several pairs dyed in their favorite shades. And occasionally I've seen them wearing two colors.

It's a neat trick to frost a cake without marring up the plate. Arrange squares of waxed paper on cake plate so they will extend about an inch under cake and completely cover plate. Frost, then carefully pull out papers, leaving plate perfectly clean.
