

Chicago College Head Addresses Huge Audience At Talladega College Finals

TALLADEGA, Ala. — An 1899 graduate of Talladega College, Mrs. W. M. Welch of Tuskegee, watched her granddaughter become a third generation alumnae in the eighty-seventh commencement program at Talladega June 7.

Reunion classes of 1914 and 1944 brought to the alumni dinner speakers' table a mother and son, Mrs. Oscar Adams and Attorney Oscar Adams, Jr., of Birmingham. Reunion classes of 1924 and 1931 included parents of Talladega undergraduates.

Commencement speaker Dr. Arthur C. McGiffert, president of Chicago Theological

Seminary, addressed a large audience from many states on the theme, "Learning to Grow in the Christian Image." "A human being is not nobody, but neither is he God," said Dr. McGiffert. "We are neither animals nor chance objects. Instead, we are creators, with freedom and necessity to grow creatively."

President Arthur D. Gray,

Baccalaureate speaker June 6 and former student of Dr. McGiffert, spoke on "The Personal Equation." "The personal equation is in the very center of life," said Dr. Gray. "It is the immeasurable potential for living constructively and creatively in the highest interests of our fellowmen.... The supreme task of education is to train human beings

3-Week Teacher Science Course Set at VSC

PETERSBURG, Va. — A three-week course in Teaching of Science will be conducted at Virginia State College this summer from June 14 to July 2. Dr. Samuel H. Powers, for a number of years Head of the Department of Natural Science Education at Columbia University, will teach the course as visiting professor.

The course in the Teaching of Science will meet five times a week for three hours during the three-week period with class sessions probably ending at noon. The class will be limited to 25 persons. Teachers interested in enrolling are to communicate with Dr. J. H. Hunter, Director of the Division of Graduate Studies, Virginia State College, Petersburg, Virginia.

Dr. Powers is one of the country's leading specialists in the field of science teaching. He has served as administrative officer with the Bureau of Educational Research in Science of the General Education Board, a member of the advisory board of World Book Encyclopedia, and associate author of several texts.

IN RECENT SERVICE... Shown above are the plans for this year's church service, which was presented before a group of exclusive members of the First AME Church on Sunday, June 14th at 4 P.M. Seated at piano is the instructor, Mrs. Wortham, holding a basket of flowers presented to her by the church.

Other in the church... Mrs. Wortham, holding a basket of flowers presented to her by the church.

Musician, third row... Emma Jane Lee, Lila Scott, Evangeline Hunter, Mary Pezz, Nellie Foster, Nancy Leitch, Virginia Hurt, Marion Ferguson, Address Bookman and pianist with group are Mrs. Lillian Williams, R. Lee Penn, Jr., Edward Penn and Charles Williams.

SHAG CAN BE SEWN

If you have a shabby hassock, try covering it with a cotton shag rug. It can be done in half an hour or so by using a small round rug to fit the top, and wrapping a straight strip around the base. The seams need sturdy thread, but the sewing needn't be fancy since the pile will hide the stitches.

The result makes an excellent television seat, or touch of luxury in the bedroom or bathroom. It's good as a nursery stool, too, since the cover can be laundered in hot soapsuds as successfully as the original shag rug.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to stop bleeding—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a

problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or assistants of any kind. The secret is a new healing substance (Bio-Dyne-S)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

Now this new healing substance is offered in ointment form for hemorrhoids under the name Preparation H. The price is only 98¢ a tube including an applicator. The name to ask for is Preparation H—at all drug stores. And remember—if not entirely satisfied—your money will be refunded promptly.
