Shawtown High Farm Program Gets Results

LILLINGTON — The Vocational Agriculture Department of the Shawtown High School operates within a program designed to aid All-Day students to become established in farming, each veteran trainee to become land owners, and to direct the Adult Farmers of the community toward becoming efficient tillers of the soil, thus raising the standard of living for all.

The boys making their first experience in the Shawtown High School receive instruction designed toward helping them become established in farming. The students have made remarkable progress in their Supervised Farming Programs. Last year twenty-six boys conducting corn projects on twenty-eight acres of land, made a net profit of \$1,426.90. Six boys with seven acres of cotton made a net profit of \$953.72. Nineteen boys with fifteen acres of tobacco made a net profit of \$4,027.60. Five with 235 baby chicks made a net profit of \$321.50. Twenty boys with twenty brood sows and litters made a net profit of \$1,748.50.

All of these boys are members of the very active chapter of New Farmers of America. In this organization the boys participate in Public Speaking Contests, Dairy Cattle Shows, Prepare exhibits for the County Fair, Conduct Hybrid Corn Demonstrations, Small Grain Demonstrations, Participate in 1-year Judging Contests and visit points of interest such as The State Experiment Station, State College and the State Soil Testing Laboratory. The members also hold a Parents Banquet annually. They stage community projects such as Home Beautification. The members are encouraged to participate in community activities such as Sunday School, Young Peoples Organizations, Community Chorus and other organizations. They are encouraged to support all Agricultural Agencies working for the benefit of the farmer. Members participate in Contests sponsored by the Future Farmer Foundation. The chapter boasts winners in Farm and Home Improvement, Soil and Water Management, Farm Mechanics.

In addition to up to date study of field crops and livestock, the students are given training in various areas of shop work. This includes wood working, welding, and concrete work.

The department conducts a Young Farmers and Adult Program annually. Many of the former students of Agriculture are members of this group. Throughout the year special classes are held with specialists in various fields. The groups discuss special problems. This year the group plans to work on improving the families' fruit supplies for an entire year.

Since the school began many veterans have become land owners, constructed homes and improved their farm conditions. The department now has boys working as Agriculture Workers, working at home on their own farms, working in occupations related to farming and in Agricultural and other Technical schools.

The Agriculture Department is under the supervision of C. R. Deering, Vocational Agriculture Teacher at the Shawtown High School for the past five years. He is very interested in youth and works hard to help them prepare for life as adults. He is a graduate of the Agricultural and Technical College of Greensboro, North Carolina and worked toward professional improvement at the Greensboro college for three summers. He is assisted by William M. Freeman, veteran instructor. Freeman is a graduate of the Delaware State College, Delaware and has been at the Shawtown School for the past five years.

Home beautification of home and community play a big part in the community. How to beautify the lawns by shrubbery, grass and flowers is taught. The group is shown in the yard of Shawtown school.

Henderson NOTES

By MRS. BERNARD F. CREWS

HENDERSON — The many citizens of Henderson are enjoying this "Indian Summer." The weather really is ideal at times. We can't tell how much more of this weather we will have, but it feels like the middle of July. We can only tell that it's October by our calendar.

HENDERSON'S SOCIAL WHIRL

Miss Emily C. ...

mond, Virginia, visited friends in the county recently.

Seaman Willie Hargrove is home with his parents for a few days. He is stationed at Norfolk, Va.

Miss Juanita Lee Terry, Miss Mary Terry, Mrs. Vergelee Faulkner, Mr. and Mrs. Len Terry, Mr. and Mrs. Lester Hunter, Mr. John M. Terry and Mr. George Merritt and Son, all of New York City, were house guests of Mr. John Small of Townsville Township recently.

Miss Marilyn Weeks was the house guest of Mr. and Mrs. R. Harris of Andrews Avenue over the week end.

Pic. Bennie E. Foster, son of Mrs. Carrie Foster of Route 3, has just returned home from Korea. We are happy to have him home once again.

Mr. Harvey Morgan of Bennesville, Virginia, was the recent guest of friends here in the city.

OUR SHUT-INS

We are sorry to learn of our sick and shut-ins. Mrs. Ophelia Allen is ill at her home. Also Mrs. Katie Smart, who is in Jubilee Hospital. Let's visit the sick. Your being there is the thing that matters. It may be you the next time.

NEW FACES

The proud and happy parents of the week are: Mr. and Mrs. Alfred Russell, 8 lb. 4 oz. girl; Mr. and Mrs. George Allen 8 lb. boy; Mr. and Mrs. Melvin Wright 7 lb. 10 oz. girl; Mr. and Mrs. Willie Lee Harris 6 lb. 8 oz. girl and Mr. and Mrs. William Clark, 7 lb. 13 oz. baby boy.

THOUGHT FOR THE WEEK

Teach your child to hold his tongue; he'll learn fast enough to speak.

— Benjamin Franklin

Better to remain silent and be thought a fool than to speak out and remove all doubt.

— Abraham Lincoln

Tyson Stewart Jr., Lillington, R. 2, is shown with his grand champion steer for which he was given the cup which he holds in his left hand. Tyson no doubt has a high regard for both. The award was made at the Cattle show, held in the Big Four Warehouse, Dunn.

James E. McLean, R. 2, Lillington, is giving the above tractor a thorough inspection. The upkeep of the tractor is not too large if it is constantly inspected.

WEEK'S THOUGHT: Whatever is worth doing at all, is worth doing well.

Riley Hill

MARY M. HODGE, Reporter

RILEY HILL — Many members of our community visited the Jones' Chapel Baptist Church, near Knightdale, Sunday, October 3, to witness the annual Baptismal Services. The services were enjoyed by all.

The Riley Hill Lodge, No. 7224 held an "Odd-Fellow's Anniversary" Sunday at the Riley Hill Church. The Rev. C. E. Askew preached the sermon and music was rendered by the senior choir. Dinner was served, and many friends were present to celebrate the anniversary.

A "Birthday Rally" is being sponsored by the Riley Hill School P.T.A. A captain has been appointed for each month. The names of these captains will appear in this column next week. The P.T.A. is asking the co-operation of everybody.

We were very glad to see Miss Barbara Mae Smith and Mr. Otis Perry home, visiting their parents and friends recently. Miss Smith is a sophomore at St. Augustine's College.

That concludes this week's news events. Looking forward to see you next week. DON'T FOR-
