

Snellings-Upchurch Vows Pledged In Grace AME Zion Church Rites

MR. AND MRS. SNELLINGS

Mrs. Margaret Upchurch and Isaac Snellings were united in a double-ring ceremony at Grace Chapel A. M. E. Z. Church, Oct. 26, at 4 o'clock.

The bride is the daughter of Mrs. Maria Locklear. The music for the wedding was rendered by Fred Daniel of Roanoke, Va.

The bride was given in marriage by her son. She wore a rose Chantilly lace street-length dress with three-quarter pink gloves, a long with a lovely carnation corsage. Her necklace consisted of four strands of pearls.

Eugene Snellings, son of the groom, was best man. Mrs. Rebecca Street, aunt of the bride, was matron-of-honor. She wore a street-length dress of coffee taffeta, along with a golden chrysanthemum corsage.

Immediately following the ceremony, the couple was entertained at a reception at their home where they are now residing. Mrs. Marie Mave, cousin of the bride; Mrs. Willie Mae Rodgers, Mrs. Jennie Mae Alston, Mrs. Pearl Dorial, Mrs. Lula Preston and Mrs. Mary Bishop, Mrs. Martha O'Neal and Miss Wallena O'Neal, served as hostesses at the reception.

The out-of-town guests were: William Albert Thomas and Robert Upchurch, sons of the bride, Philadelphia, Pa.; Mr. and Mrs. John Heartfield, Brooklyn, N. Y.; Mrs. Mary Bishop, Philadelphia; Mr. and Mrs. James Tompkins, Ozon Park, L. I., N. Y.; Mrs. Rebecca Street, Philadelphia; Fred Daniel of Roanoke, Va.; and Mrs. Pearl Dorial, Philadelphia, Pa.

State College Hints

INSIDE SECRETS — TURKEY DRESSING — Stuffing tricks can be the inside secrets to creating your elegant meat and poultry dishes for Thanksgiving occasions. Bread cubes, soft or toasted, or lightly tumbled bread gives a delicious flavor to stuffing, and of course the right herbs, spices and fruits of your choice. Apple, sausage, or oyster stuffing goes well with chicken or turkey, depending on the likes and dislikes of people.

BREAD STUFFING
1-2 quart soft 1-2 inch bread cubes
1-4 teaspoon sage
1-8 teaspoon pepper
1-4 teaspoon salt
1-4 cup butter
1-4 c. finely chopped onion
1-4 c. chopped celery
1-2 c. milk
1 egg, slightly beaten

Toss bread cubes together with sage, salt and pepper. Melt butter in a skillet. Add onion and celery. Cook over low heat until onion becomes transparent, stirring frequently. Combine beaten egg and milk. Toss lightly with tossed bread cubes. Add celery and onion with butter, in which they were cooked. Use to stuff chicken, turkey or meat.

USE OF VACUUM CLEANER—Your vacuum cleaner deserves good care. Like any other piece of equipment in the home it will operate efficiently only as long as it is cared for properly. (1) Read instruction book that comes with the cleaner. Keep it in a handy place and refer to it when necessary. (2) Remember the bag must be kept clean to hold the dirt but permit free flow of air. (3) Replace brushes when they become worn. (4) Hard sharp objects should not be picked up by a cleaner. (5) Your cleaner needs periodic check-ups at an authorized service dealer to keep it in good condition. (6) Dust that settles everywhere causes color changes in carpets and rugs. Heavy dirt causes damaging wear on carpets and rugs.

MILK SHAKES top the list of soda fountain drinks which young folks prefer after a busy day at school. So, it's good news now that they can fix their own at home by using an envelope of milk shake mix—and treat themselves and their little friends every day in the week—

with much less strain on their allowances! One envelope of vanilla, chocolate or strawberry milk shake mix with milk and sugar adds makes two tall shakes, providing a beverage of delightful consistency and delightful flavor that healthful milk tastes better than ever.—(ANP)

WOMAN'S DAY SPEAKER — Miss Lina L. Culbreath of Dunn, a teacher in the Junior Department of Harriet County High School and a graduate of Winston-Salem Teachers' College with a B. S. degree, was the guest speaker for the Annual Woman's Day program. She

spoke on "Go Forth and Use What You Have for God." Miss Culbreath has done graduate work at Hood's Theological Seminary in Salisbury. She is a member of the AME Zion Church of Dunn.—Photo by J. Dudley Hinton.

Raleigh Omegas Observe Nat'l. Achievement Week

The Raleigh chapters of Omega Psi Phi Fraternity, Inc., joined in observing annual National Achievement Week last week.

The theme this year was "Wanted: Techniques for Strengthening and Furthering Our Democratic and Christian Heritage."

The major objectives of this year's National Achievement Week are: 1. To point out specific methods and techniques which can and should be used to make us a stronger nation; 2. To implement all forward-reaching movements and decisions which call for the equality of man and respect for individuals; 3. To show all Americans that it is their job to use these techniques which

will make us a united nation; and 4. To organize and formulate plans for further attacks on segregation which will benefit all of America's minorities.

The observance was launched on Nov. 4th with a radio broadcast by Dr. P. R. Robinson, member of the graduate chapter.

During the week that followed, members of both undergraduate chapters made appearances in the public schools of Raleigh and Wake County making addresses pertaining to the theme.

An essay contest for high school seniors is sponsored by Omega during this observance with cash awards going to the first three winners.

The local chapters ended their observance of Achievement Week on Nov. 11 by holding service at the Martin Street Baptist Church. The speaker was Dr. Robert L. Gill, historian of the Omega Psi Phi Fraternity and professor of Political Science, Morgan State College, Baltimore, Md.

ZETA Zeta Phi Beta Sorority Inc., Raleigh
Omicon Zeta chapter, Zeta Phi Beta Sorority met at the home of Mr. and Mrs. Leonidas Frazier recently.
The hostesses for the evening were: Sorors Josephine Saunders, Justice Davis, Pauline Young and Ruby McKinney.
The numbers on arrival were served tomato cocktail, after which a delicious turkey dinner was served.
The business of the evening included clearing national membership and messengers to the next meeting to be held in Greensboro on Dec. 1.
The reports from "The Blue and White Revue" were very encouraging. Soror Ellen Alston won the prize for selling the largest number of tickets.
Ground work was laid for the entertainment of the Eastern Regional Conference of the Phi Beta Sigma Fraternity and Zeta Phi Beta Sorority in May.
Congratulations is in order to Soror Lydia Thomas Wall and Richmond Wall, Jr., on the birth of a daughter, Audrey Yvette.
Other sorors present, in addition to the hostesses were: Merca Yarbrough, winner of the door prize, Ellen Alston, Dorothy Baker, Mary Cavanaugh, Mildred Charles, Augusta Gray, Annie Hawkins, Anna Hamilton, Mildred James, Mary Jones, Dorothy Lane, Mozella Lane, Mae Ligon, Nora Lockhart, Burnell McHaffey, Doris McAdams, June Swindell, Bernice Jukes, Blanche Rivers, Alia Thomas, Catherine Winters and Maude Evans. The guest sorors were: Betty Mitchell of Richmond, Va. and Phyllis O'Kelly of Peaks Turnout, Va.

Fayetteville Students Hear Bragg Band Play

FAYETTEVILLE — The Fort Bragg 2nd Airborne Division Band of 40 pieces, directed by Chief Warrant Officer William E. Baldwin, appeared in concert at the assembly period at the Fayetteville State Teachers College on Monday, Nov. 5.
The band has played before a number of select audiences in many sections of the country. It features an assortment of splendid musicians.

Cities In 2 States Get Funds To Eliminate Blighted Areas

Tips on Touring

Women's Travel Authority
Winter Driving Tips II
You're a smart motorist—so your car has been serviced for winter. Even so, if we get extreme cold, you may find starting hard. Here are some tips for taking the edge off winter nights.
If you keep your car in a garage, stretch a rope across the end of the garage and hang a blanket over it. Then, when you get in the car at night, snug the front end up to the blanket. This preserves some of the heat left in the motor and keeps the fan from scooping up icy early morning air, blowing it into the motor. If you ever have to leave your car outside all night, you can still cut down warm-up time. Save a large shopping bag, fold it flat and slip it down inside the hood between grill and radiator. To secure the bag, run a cord through one end of it, and tie the cord to the radiator cap. (This also prevents your radiator from freezing up while you're driving through heavy snow.)
Here are three ideas for frozen door locks:
On a warm day, fill an old squirt can with a solution of carbon tetrachloride (95%) and paraffin (5%), and squirt it around the outside door push button.
Or, if there are no warm days in prospect, get some rubber chair leg tips from your local hardware store and slip them over the ends of the push buttons. This usually keeps out rain and snow.
And if all else fails, try heating your key over a match before putting it in the lock.

WASHINGTON — (ANP) — The Housing and Home Finance Agency announced last week the approval of Federal funds to eliminate slums and blight in two Georgia cities and one city in Tennessee.

In making this announcement, Administrator Albert H. Cole of HHA commended Mayor Emory P. Bass of Valdosta, Georgia, for his foresight and initiative in establishing a workable program of community betterment.

Valdosta is a city of more than 20,000. It is located some 18 miles north of the Georgia-Florida border, midway between the Gulf and Atlantic coasts. It has a highly diversified industrial production as well as a nearby U. S. Air Force Base.

The redevelopment plans call for commercial and light industrial use of the district which now has blighted residential structures. This area is one block southwest of the central business district.

Cole claimed that Valdosta already has 426 low-rent public housing units, 156 of which are available for white occupancy and 270 for Negroes.

In Lithonia, Ga., a seven-point housing program has been approved by the Housing Administration. This city of approximately 1,600 is located 20 miles east of Atlanta.

The redevelopment project of this city involves a 20-acre blighted area near the center of Lithonia, adjacent to the business district. The city is now initiating activities leading to an application for a reservation of low-rent housing units.

The loan approved for the middle Tennessee community will be used for slum clearance at Tallahoma. The \$13,500 loan will be used to develop a 10-acre project known as Big Springs.

Tullahoma is a community of 15,000 population. It is the home of the U. S. Air Force's important research installation known as the Arnold Engineering Development Center.

This community already has 90 low-rent housing units open to white occupancy and 18 units open to Negroes.
