HOLD DOCTOR IN ABORTION

SUSPECT IN SLAYING — Johnnie D. Knight, 29-year-old deaf mute, who has reportedly confessed the slaying of a 43-year-old housewife at Bailey, in Nash County. Knight, a native of the area, was rushed to Central Prison in Raleigh, "until feeling dies down."

Find Missing Woman Dying By Roadside

NEW BERN—A woman who left her home on Sunday night with an unidentified white man and a 12-year-old white boy was found dying on Monday night a country road near here.

She was Miss Melissa Brown, 30, and Craven County authorities said that they had been unable to determine the cause of death. They said that there were no marks of violence and that she may have died of exposure in Sunday night's near-freezing temperatures.

Miss Brown, who was too weak to talk, died almost immediately after she was discovered by a highway patrolman.

Lonnie Holloway, 50, with whom she shared a home here, told authorities that Miss Brown had left the house about 9 p.m. Sunday with a white man, about 30, and a boy he referred to as his brother.

DEAF MUTE HELD IN BAILEY DEATH

BAILEY—Sheriff Glenn O. Womble believes that he has solved the brutal slaying of Mrs. Myra Brown Manning 43-year-old white housewife, whose body was found severely beaten and her throat cut, in a wooded area, near here, March 3, after evidence in her home tended to show that she had been attacked, with the arrest of a deaf and dumb man, Johnnie D. Knight, Jr., 29.

Knight was arrested Wednesday night and according to the sheriff about 3 a.m. Thursday, after having used a large number of slips in exchange between himself and Knight, the whole story was re-enacted.

The sheriff reported that Knight told him through written notes, he went to the home of the Mannings with the intention of having relations with her.

Foe Of Integration At "Mixed Parties"

TALLAHASSEE, Fla.—Segregationist John Kasper, of Washington, admitted reluctantly to a Florida legislative committee on Monday that he had danced with Negro girls and had attended mixed beach parties in New York.

The committee, which is looking into activities of the NAACP, the White Citizens Council and other organizations involved in the racial desegregation issue, heard Kasper tell how he turned from integrationist to segregationist.

Kasper, a key figure in the Clinton, Tenn., school integration disorders, was questioned about his life as a bookstore operator in New York.

(INTERVIEWS BY CHARLES R. JONES)
QUESTION: In The CAROLINIAN'S Bonus Money Promotion, would you prefer one big sum of \$1.00, where only one person gets a representative amount, or several recipients with one larger amount of \$50 and a number of \$5 and \$10 awards? (This does not apply to the first month, but may be considered for the second month).

ANSWERS:

MRS. ALLIE M. PEEBLES, 1313 S. Person Street, Housewife: "Well, I feel it is best for The CAROLINIAN to offer several smaller bonuses rather than a single one because it would encourage more people to shop at the stores that advertise in the paper. Everyone likes to win and if there are several winners each month it would inspire more participation."

LOVELACE H. BURWELL, 203 Idlewild Avenue, Barber: "\$100 is a lot of money, of course, but I don't think it would be fair to give it all to one person. It would be nice to offer \$50 as a first prize and a number of smaller awards."

Blonde Says \$200 Paid For "Operation"

GASTONIA — Dr. W. Percy Carter, 79-year-old local physician, was placed under \$5,000 bond here this week, charged with performing an illegal abortion upon a 22-year-old white woman.

He was scheduled for a hearing in Recorders Court on Wednesday.

Police, who broke the case on a "tip," declined to identify the woman except to say that she was a "beautiful and highly intelligent" woman. A beautician, she is married to a foreign national but separated from him.

Detective Ed Groves said that he received information on the alleged abortion and went to the woman's home on Sunday. He said that she was "very cooperative" and gave police a statement.

According to the woman, the alleged abortion took place in the doctor's office about 5 p.m. on Feb. 26. She said that the doctor performed the operation with a nurse assisting. She was reported-

ODDS-ENDS

PAMPERING PRISONERS: While discussing the use of state prisoners at his press conference this week, Gov. Hodges said he did not believe in "pampering prisoners." The governor evidently meant that he believes in keeping the unfortunate men and women who have broken the laws of the state busily engaged in working as part of their atonement for their sins.

There cannot be many sane persons who will not agree that prisoners should not be pampered but we would like to know if there is not an element of pampering involved in the practice of taking jobs away from humble law-abiding Negro citizens and giving these

Driver, Thrown From Wrecked Car, Drowns

BROADWAY — Although simple funeral rites were held from the Cameron Grove A.M.E. Zion Church, here Wednesday afternoon for Robert Cameron, Jr., no one seems to fathom how he managed to lose his life when his automobile left the highway, Sunday night and catapulted into Little River, causing his death.

The ceremonies were officiated over by Rev. J. A. Jones, pastor of Townspeople the curious and his immediate survivors were on hand to hear the last sad rites. He was buried in the church cemetery. He is survived by his father and mother, Robert, Sr., and Thelma, and one 18-month-old son, whose mother died in

College, Closed By Strike, Re-Opens With 75 Students

ALCORN, Miss. — Alcorn College, closed last week following a student strike, reopened on Monday with about 75 of the original 370 students in classes and a new president, Dr. J. D. Boyd, in charge.

Prof. Glennon King, whose criticism of the NAACP set off the revolt, was reported in Jackson where he conferred with Dr. E. J. Jobe, executive secretary of the state college board. Said Dr. Jobe: "Prof. King will be back if he is needed. However, it seems that most of the members of his classes were among those who walked out."

Most of the student body withdrew when King refused their demand that he resign.
