or care to make any comments

about the individuals involved

in this case. What we are con-

cerned with and are making

comments about is the reason-

ing whereby the verdlet in

this case was arrived at, Es-

sentially, the defense argued

that the prosecution was pick-

ing upon it because the offense

it was charged with was being

committed by others. Why

asked the defense, don't you

bring those others who are

breaking this law, to trial?

We accept the query of the

defense as a good question.

We most certainly believe that

the offense charged to the de-

fense is being committed every

day in the year by groups with-

in whistling distance of City Hall. What we do not under-

stand is what on earth did

what someone clse is doing or

not doing have to do with the

guilt or innocence of the in-

dividuals on trial in this case.

this reasoning, the accused thief

could point to the many thieves

who have never been brought to

justice as a good reason why he
