Louisburg Notes

BY MRS. ALVIN WILLIAMS

LOUISBURG — B. T. U. and regular first Sunday night service was held at the Mitchell Chapel Baptist Church. The president, Mr. David Long, was in charge. B. T. U. Theme - World crusade for Christ.

Topics were discussed by the following persons: "The Need is Urgent" by Mrs. Luella Ragann. "The Gospel is Adequate" by Mr. Arthur Williams. "Go Quickly and Tell" by Mrs. Mary W. Wilson. "Like a Mighty Army" by the group leader, Mr. Edna Wilson.

A very interesting Bible Quiz was conducted by the director, Mr. Scribner by the pastor, Rev. E. L. Brodie. He preached from a portion of the 3rd Chapter of Revelations. Subject - John Writes to the Church at Sardis. He said the Church at Sardis had a name that they loved but was dead. John wrote encouraging those who were yet alive and challenged those who were spiritually dead. God knows all about us. He keeps a record. Don't let the little grace that you have die. There are people in the church who have died. Some used to sing and sing but they have dried up. Now you can't squeeze a tear from them. John said to the church at Sardis, "Be Watchful and strengthen the things which remain, that are ready to die." This is a challenge for today's churches. This was a powerful sermon.

The Franklin County Missionary Union, Woman's Baptist Home and Foreign Missionary Convention of North Carolina met at the Mitchell Chapel Baptist Church April 13 and 14. Theme: "The Missionary Task of the Church." Saturday morning the seniors were in charge.

At 2:00 p. m. Junior Hour. The president of the Junior department, Mrs. Lucy A. Dunston, was in charge. A Talent Hour, consisting of recitations, solos and papers, was enjoyed by all. Topic: There is a corner for you to Fill. Mrs. Ruth Hawkins began her discussions by giving the definition of corner. It is the point where two lines or surfaces meet or may say a combination of lines all meeting together.

A church is a group of baptized believers working together for the same cause. There are various corners in the church for you to fill, the Sunday School, B. T. U., Missionary Circle and others. Whatever corner we are called upon to fill let us fill it with the best of our ability.

Community - Miss Lella Floyd. She said, we must endeavor to raise the standard of living in the community spiritually, morally and economically. Find your corner and fill it in the community.

Sunday at 10:00 o'clock Sunday School was held with the superintendent in charge. Subject of the lesson - Jesus Praised and Condemned. The First Bible Class was taught by Mrs. Novella Alston. The lesson was reviewed by Mrs. Sarah J. Davis.

A most powerful and soul-stirring sermon was preached by the pastor, Rev. E. L. Brodie. His subject: "Who is This?" Text: Matthew 21: 10-11. He said when Jesus rode into Jerusalem people there did not know him and asked who is this? The same thing is true today. There are people who have been in the church for a long time but don't know Jesus.

The multitude said This is Jesus the prophet of Nazareth but he was more than that. He is the Son of God.

These people who cried out Hosanna on Sunday cried crucify Him on Friday. The best way to prove to the world you know him is to live it. If you know him, you can tell others about him. Do you know him?

WARNER LOOKS 'EM OVER

CHARLOTTE — Several weeks ago we wrote about the opening of the New Northwest Clinic which is located at 1218 Beatties Ford Road in the Biddleville section of the city. We can recall the very pleasant conversation we had with Dr. C. W. Williams about the need of an institution for this section. He also stated that the plans were to be fulfilled when Dr. Emory Rann, returned from the U. S. Army.

At that time Dr. Williams did not make mention of our good friend, Dr. R. A. Hawkins, who is now heading the dental department of the clinic. We feel that the three above doctors are serving the local need with the modern clinic.

This columnist learned that the office of Dr. Hawkins is equipped with the new Ultra-Sonic Dental Equipment. We also learned that a new machine replaces the usage of the dental chair. We also learned that the equipment is completely vibrationless, noiseless and painless. The machine is a 190 used for the filling of teeth and gum treatments. This is the only equipment of its kind in this area.
