

FA YETTEVILLE

Collins, Holloman, Wright Slated For Fayetteville's Commencement

FA YETTEVILLE — According to Dr. Rudolph Jones, President of the Fayetteville State Teachers College, the Fayetteville Class of '57 will hear at the finals this year distinguished leaders in their chosen fields of religion and of education.

The Class of '57 has chosen as the Cap and Gown Day speaker for Friday noon, May 31, W. R. Collins, for 35 years principal of the Johnston County Training School at Smithfield, North Carolina. He holds several positions in edu-

cation at the state and national levels.

The speaker for the breakfast service on Sunday, June 2 at 4:00 o'clock in the afternoon is Dr. John L. S. Holloman who has just rounded out a forty-year period as pastor of the Second Baptist Church in Washington, D. C.

A dynamic pulpiteer of wide experience, he is active in the work of the Lott Carey Baptist Foreign Mission Convention, the New England Baptist Missionary Convention, and the National Baptist Convention.

At the commencement exercises on Tuesday, June 4 at 11:00 o'clock, the commencement address will be delivered by Dr. Stephen J. Wright, President of the Bluefield State College at Bluefield, West Virginia and President-elect of Fisk University in Nashville, Tennessee. Dr. Wright has held a number of administrative posts and is one of the country's foremost educators.

Aldens Sales Grow Twice Industry Pace

Aldens, Inc. increased both total order and retail store sales during 1956 to pass the inflated million dollar mark for the first time in company history. R. W. Jackson, president, disclosed in his annual report to stockholders.

Record sales during the past year exceeded ten years of increase at a rate of growth almost double that of the industry. Jackson pointed out.

Increased customer service through "will-call" stores, where shoppers can order and receive merchandise, and telephone offices where customers can order for home delivery were cited as major reasons for the increase. Further service expansion by opening catalogue order units in supermarkets is planned for testing in 1957, Jackson said.

GREENSBORO

Fees To Be Increased:

Bennett To Offer Major In Math For First Time

GREENSBORO — An announcement that beginning with the fall semester, Bennett College will offer a major in mathematics, was made here this week by Dr. Willa B. Plover, president.

The growing demand from students for more courses in the sciences has also led the college to increase its offerings next year in anatomy, bacteriology and physiology for students preparing for careers in medicine, dentistry and medical technology.

Approval was also given to increase the fees of non-resident students from the present \$348 to \$423, an increase of \$75 for the year.

At the commencement exercises on Tuesday, June 4 at 11:00 o'clock, the commencement address will be delivered by Dr. Stephen J. Wright, President of the Bluefield State College at Bluefield, West Virginia and President-elect of Fisk University in Nashville, Tennessee. Dr. Wright has held a number of administrative posts and is one of the country's foremost educators.

HIGH POINT

BY MRS. ODESSA TYSON
PHONE 57465

Carolina V. F. W. met Sunday April 28th at 10 a. m. at Happy Hill Community.

The meeting was opened by the Chaplain. The business session was then opened.

The topic for discussion was "How We Can Better Our Youth". After the discussion the separate meetings were in session for the host and auxiliary members. The new officers for the year '57-'58 are as follows:

President, Mrs. Aiane Poe of Salisbury, Senior Vice President Mrs. Helen Johnson, High Point, Junior Vice President, Mrs. Sarah Lawrence, High Point, Secretary, Mrs. Yalva Henderson of Salisbury, Treasurer, Mrs. Muriel Harrison of High Point, Chaplain, Mrs. Mary Walker of Salisbury, Conductress, Mrs. Ellen Deacon of Salisbury, Guard, Mrs. M. Manion of Monroe, Trustees, Mrs. Gussie Shepard and Mrs. Marie Leonard of High Point and Mrs. Willie Windsor of Monroe, N. C.

Mrs. Edna Bingham, a state representative from Elkin, N. C. was present.

The new officers were installed Mrs. Willie Windsor of Monroe, N. C.

LOCAL TENT OFFICERS

At the recent district meeting of the Order of Tents that was held in Charlotte, April 27th. The following officers from various sections of the state were elected:

Mrs. Lola Saunders of High Point, President, Mrs. Frances Shell of Winston Salem, secretary, Mrs. Mary Davis of High Point, Financial Secretary, Mrs. Mollie Stroud of Charlotte, treasurer and Mrs. Lillie Williams of High Point, deputy.

CLUB MEETINGS

HEN & I CLUB

The High Point Normal and Industrial Club met Sunday at the home of Mrs. Lubertha Brown, North Main St. Club reports were heard from the various committees. The club voted a major project for the fall.

Mrs. Hattie Robbins, a sister of the hostess, was club guest. She gave expressions of information concerning the early history of the educational status of High Point.

Mrs. Annie S. Smith, the club president presided. At the conclusion of the meeting the hostess served daily refreshments to the members present.

FLOWER LOVERS GARDEN CLUB

The Flower Lovers Garden Club met recently at the home of Mrs. Swanne Saunders. In the absence of the president, the vice president, Mrs. Cora Evans, presided. Committee reports were heard. A club scrapbook being compiled by the members, was worked on during the social hour.

At the conclusion of the meeting, the hostess served a delicious ice course to members present.

SCHOOL NEWS

The William Penn Orchestra, consisting of 33 members participated in the annual music festival which was held at A&T College on Thursday, May 2.

Other schools participating in this festival were from Charlotte and Raleigh, N. C.

The William Penn Orchestra played "Gypsy Life" by Victor Herbert and "Romanian Rhapsody" by George Enesco.

No ratings were given the orchestra but Dr. L. Howard of North Carolina College said the William Penn Orchestra was superior.

FAIRVIEW ST. SCHOOL

On each Friday morning at Fairview St. School, the teachers from the various district give short talks to the student body on different character traits that they must develop in order to live a full and happy life.

On the past Friday morning the lectures were from the teachers to the students in the primary department.

The principal, Miss Gray let the discussion. She spoke on the "3 R's" namely, Respect, Responsibility and Radiance.

Mrs. J. K. Williams spoke on "Courtesy in the Home, School and Community."

Mrs. S. P. Hudson spoke on "Planting Seeds of Honesty, Obedience, Thoughtfulness, Kindness, Politeness and Cheerfulness."

Mrs. M. M. Hart spoke on "Developing Good Safety Habits" in the Home School and on the Streets.

Mrs. E. A. King spoke on "Growing Helpers." She told of the many things students should do if they want to be "Growing Helpers."

The pupils enjoy these lectures because the teachers make them interesting by using poems, jingles, flannel boards, flash cards, cartoons and stick drawings.

DEATHS AND FUNERALS

CICERO GARNER

Cicero Garner died early Sunday morning, April 28th at the home of his niece, Mrs. Pearlina McKenzie, 920 Gurley St.

Mr. Garner was born in Randolph County and had spent his entire life in this community. He is survived by his wife, Mrs. Josephine Garner of New Haven, Conn., one daughter, Mrs. Lola Bowley of Conn., one son, J. Allen Garner, U. S. Army stationed in Dugway, Utah.

Funeral services were conducted Sunday at 11 a. m. from the First Baptist Church by the Rev. W. F. Elliot. Burial followed at Green Hill Cemetery.

THE PERSONAL TOUCH

A gift that will go straight to her heart this spring will be one with a personal touch. Bright golden initials on purse accessories transform a nice gift for the graduate or Mom into something special, selected for her alone.

This new group of purse pretties by Rolfs includes a ladylike key case, a silk-lined eye glass case with a snap-tight foldover closing, and a billfold that holds everything else to give her handbag that neat, uncluttered look.

Fashion's newest colors of pale grey and flaxen blonde add glamor to the handbag. The Personal Touch by Rolfs is available also in bright carnation red, crispy white, as well as sophisticated black.

Buffalo First Over The Top In The 1957 UNCF Campaign

NEW YORK — Buffalo is the first city to report "over the top" in the 1957 United Negro College Fund Campaign. Leo H. Bristol, president of Bristol-Myers Co., and national campaign chairman announced Friday.

Volunteer workers reported 102.6 per cent of Buffalo's share of the \$2,000,000 national goal at their victory dinner, April 30.

The convocation of UNCF's 31 college president, held in Buffalo in March, helped alert local citizens, business and industry to the importance of the appeal, according to LeGrand Kirk, Buffalo attorney, who heads the Fund's Western New York Committee. This is the first time Buffalo could announce that its goal had been

reached at the final dinner," Mr. Kirk said. "And there is more to come."

An extensive publicity program also served to bring the Buffalo campaign to a successful conclusion on schedule.

Headed by Miss Elloeen Del. Oughterson, Buffalo's volunteer publicity committee obtained extensive time on radio and TV; spectacular outdoor poster boards; and excellent newspaper coverage.

"The publicity program resulted in more than financial returns," Mr. Kirk said. "Through these channels of communication we told the Fund's story and imbued many people with the philosophy and the spirit of the United Negro College."

This year's campaign was conducted in 100 cities and colleges.

The Fund was founded by Dr. F. D. Patterson, former president of Tuskegee Institute. Dr. Patterson, who now heads the Phelps-Stokes Fund, serves as UNCF president. W. J. Trent, Jr., is the Fund's executive director.

You Can Bake A Broiler With Unstuffed Stuffing

Broilers are the gay young things of the chicken population and, thanks to their tender age, will always be tender on your plate. However you prepare them, do yourself a favor by shaking Ac'cent on them before cooking.

Ac'cent is a leading brand of pure monosodium glutamate, derived from sugar beets, which has the unique property of making foods taste naturally better. Chicken dishes of every size, shape and character become more lively with a liberal sprinkling of the pure white crystals.

In this instance, we plan not only to bake a broiler but to serve an unstuffed stuffed bird. Wrap the stuffing securely in aluminum foil, and bake it alongside the chicken.

Baked Chicken and Stuffing

Sprinkle 4 broiler-fryer chickens, halves with Ac'cent on flesh side of chicken and a little on skin side 15 to 20 minutes before cooking, then sprinkle with salt, pepper and paprika. Place chicken halves, skin side down, in baking pan. Do not overlap halves. Brush melted butter over cut side of chicken. Bake in a moderate oven (350° F.) 1 hour, 15 minutes. While chicken is baking, prepare packaged stuffing according to directions. Place stuffing in aluminum foil; seal edges tightly. At end of first half hour, turn chicken over and brush with butter. Place stuffing in oven with chicken. Bake 30 minutes longer and brush chicken again with butter. Continue baking 15 minutes longer. Serve with stuffing and gravy made from partially diluted cream of chicken or mushroom soup.

Vespers To Fete Howard Philosopher

GREENSBORO — Dr. William A. Banner, professor of philosophy at Howard University, will speak at the Bennett College vesper service on Sunday, May 12, at 4 p. m.

This occasion, Mother's Day, has been annually designated as the day on which Bennett graduates return to their alma mater to have their children christened by the college minister in a special service.

Dr. Warren Ashby Applauded After Bennett Address

GREENSBORO — "One of man's greatest temptations is to try to make others over into his own image, when what he should cherish is individuality," Dr. Warren Ashby told the Bennett College vesper audience Sunday.

Dr. Ashby, professor of philosophy at Woman's College, said further that man is often tempted to replace God with other things and to act so as to come between God and another person.

"Living as we do in the midst of so many pressures," he continued, "we are in special need of sensing what the basic realities are and should find satisfaction in a person who knows the fundamental realities — himself and his relationship to God."

Addressing himself specifically to the students, Dr. Ashby said that self-discovery is what each of them should want out of college. To the others in the audience he said that what all mankind wants is a meaning that "becomes a motivating force in our lives."

Time of the Twister

Springtime is tornado time. In the unstable transition from winter cold to summer heat, great masses of cold and warm air collide. When the heavier cold air is forced above the lighter warm air, funnels sometimes form to relieve the topsy-turvy situation. This is the twister.

SOME 800 TORNADOES BOLL UP each year in the United States. When they strike, local civil defense and the Red Cross speed to the rescue.

Spring is the time for a special weather eye to the tornado-spawning southwest. Last year, for instance, every major tornado occurred between February and May on one day—April 3—four giant twisters killed 30 persons, injured 415 and caused an estimated \$13,760,000 damage.

There is no way to prevent a tornado. But early warning, proper precautions and speedy rescue of victims can save lives. In addition, disaster funds administered by the Federal Civil Defense Administration can provide emergency repairs and restoration of vital community facilities when Federal assistance is authorized by the President to augment State and local efforts.

Time of the Twister

The 1956 burley tobacco crop averaged \$83.53 per 100 pounds.

\$600,000,000 SAVED

A new system to give customers fast check-cashing without delaying questions, or troublesome form filling, that also protects businessmen from bad check losses, has been developed by a Chicago firm, Radiant Manufacturing Corporation. A dual-lens photo-identification unit, Regiscope is designed to cut down the \$600,000,000 businessmen lose annually through bad checks and also prevent the illegal sale of narcotics over drug store counters and curtail the sale of liquor to minors. Its use approved by 87% of persons questioned in an independent survey, the unit simultaneously photo-identifies face and document on confidential film files seen only by the Regiscope dealer and printed only when someone tries to pass forged checks or fraudulent identification.
