

# "Fightin' S. C. Parson" Pays Tribute To State's NAACP

## Worthy Sees The Negro As A Custodian

WASHINGTON, D. C. — Newsman William Worthy, who last year defied the State Department edict banning travel to Communist China, last night (Thursday) paid tribute to the American Negro as the nation's only minority which has not been silent when its civil liberties have been restricted or denied.

The reporter who is currently a Neuman Fellow at Harvard University, spoke at the annual banquet of the College of Liberal Arts at Howard University. During the program 60 students were honored for outstanding achievement during their stay at Howard.

Mr. Worthy was making his second appearance of the week in Washington. On Monday he had appeared to State Department officials to release his passport which had been lifted following his return from Red China. He saw the Government action as but one of many restrictions of civil liberties imposed by the United States in recent years.

In reference to the late Senator Joseph E. McCarthy (R., Wis.), whose death had been announced just minutes before Mr. Worthy's address, the reporter said, "In this atmosphere of subtle McCarthyism, the Negro did not fall for the things for which McCarthy stood. In fact, Negroes have become the custodians of the things for which American Democracy stands."

Mr. Worthy said that oppressed people all over the world are tired of being servile. The Negroes of Montgomery are not afraid of being bombed; the nationalists of Algeria are not afraid of being strafed; and the masses of Hungary are not afraid of Russian tanks, he added.

## Rev. James M. Hinton Lauds Greensboro, Other NC Cites

GREENSBORO, N. C. (ANP) — "The magnificent fight that has been waged in this city against the monster of segregation is one that might well be emulated," the Rev. James M. Hinton of Columbia, S. C., told some 600 persons attending the NAACP "Freedom Fund Rally" at Trinity A. M. E. Zion church here last Sunday.

State president of the N. A. A. C. P. in South Carolina, the Rev. Mr. Hinton paid high tribute to the North Carolina Conference of the NAACP, headed by Kelly Alexander of Charlotte, as one of the "best organized in NAACP ranks."

Tracing the history of the fight against segregation from the infamous separate-but-equal doctrine of the Plessy vs. Ferguson case in 1896, to the U. S. Supreme Court's ruling in 1954, the minister said: "When the U. S. Supreme Court knocked the props from under segregation, the South was astonished. It just couldn't believe it. But the South's sins have finally caught up with it."

Referring to violence and terrorism that have followed in the wake of the court's decision in certain sections of the Deep South, Hinton expressed mock alarm at the fact that neither local, state or national law enforcement officers, including the FBI, ever seem able to ferret out the perpetrators of these crimes against Negroes.

"They shot into my home in February of last year," the minister revealed, "and they took me for a ride back in 1949, but they still never found anybody connected with either incident. Funny isn't it?"

## Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both— Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a

problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne\*)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

## Poet's Corner

A NEGRO IN A DAY LIKE THIS

By Arimetha Neely for ANP  
It is good to be a Negro  
In a changing world like this.  
When the nations are bewildered,  
And dark war clouds form like  
mist.

I would choose to be a Negro,  
Though my brightness were denied.  
For the God of right and justice  
Is embattled on his side.

We behold the God of mercy,  
Lifting up the bars of hate,  
Opening wide the doors of justice,  
Speaking in the hall of state,  
Warning men to live as brothers,  
In the world He made for all.  
Lest mankind in hating others,  
By their own vain scheming fall.

It is good to be a Negro,  
For his cause though meek, is just,  
And the Father of Creation  
Is his only hope and trust.  
On his side will be the victory,  
Might and power to God belong,  
And the meek of every nation,  
Soon shall raise the victor's song.

## Moslems March In New York; Protest Beating Of Member

NEW YORK (ANP)—Charging that police used improper force in the arrest of 32-year-old Johnson Henton last week, some 400 Moslem members of Henton's faith paraded in a park near the Sydenham Hospital where Henton lay semiconscious and bitterly protested a beating the man received from police when he allegedly attacked a police officer with his fists and feet.

More than 400 Moslems, members of Elijah Muhammad's Temple of Islam here, marched in prayer for seven hours across the street from the hospital carrying posters that read "White Police have beaten our black brother. Moslems protest police brutality."

The huge group of men and women came from a number of states to join in the protest. License plates revealed that some were from New Jersey, Connecticut, Massachusetts and Pennsylvania.

According to police, Henton was arrested last Saturday on charges of felonious assault, in interfering with an arresting officer and attacking him "with fists and feet."
