Perhaps you would like to root the Azalea cuttings this summer. You do. June is the best time to root the cuttings of the state and foreign azaleas.

like a bell jar and in a safe place. Then you can use them as needed. Use this mixture only on your azaleas as both Captan and DDT leave poison residues on vegetables.

600 Candidates For Degrees Announced By Howard U.

WASHINGTON, D. C. — Howard University will confer degrees upon some 600 graduates of its 10 schools and colleges during the 89th annual Commencement exercises of the University Friday, June 7th, at 5:30 p. m. Commencement exercises will be held on the upper campus, in front of Frederick Douglass Memorial Hall.

While at Swarthmore Mr. Malin also served as vice-chairman of the American Friends Service Committee, American director of the International Migration Service, and held several executive positions with Federal agencies, including the Department of State and the Office of Price Administration. In 1932 Swarthmore conferred the Doctor of Laws degree upon Mr. Malin.

361 Expect Degrees At NCC; "Finals" To Start Friday

COM. ACTIVITIES START FRI. — DURHAM — North Carolina College is expected to award some 361 degrees during the 46th annual Commencement exercises starting here at 8:00 o'clock Friday night, May 31.

The college's second Ph. D. degree in education will go to Solomon Shannon of Kingsport, Tenn. NCC awarded the first Ph. D. degree ever given by a predominantly Negro institution in 1955 to Dr. Walter M. Brown, NCC Placement Officer.

The two principal speakers for this year's exercises are the Rev. E. Deedon Alston and Dr. Howard Thurman. The Rev. Mr. Alston, NCC alumnus and Rector of the Church of Our Merciful Saviour, Louisville, Ky., will speak in the Men's Gymnasium at 3:00 p. m. Sunday, June 2.

A total of 34 events have been scheduled at Howard for Commencement Week. The eight-day program begins with the annual School of Engineering & Architecture Honors Night Friday, May 31st, at 3 p. m., and concludes with the Trustees Dinner for Recipients of Honorary Degrees Friday, June 7th, at 9 p. m.

Other features of the Alumni observance will be the annual meeting at 10:00 a. m. and the Installation Services at 8:00 p. m. Four events are set for Sunday, June 2. They are the Dean of Women's Breakfast for seniors and parents at 9:30 in the cafeteria; the Baccalaureate sermon at 3:00; the President's annual reception at 4:00; and the senior recital in Duke Auditorium at 8:15.

Senior Class Exercises start at 8:00 o'clock Friday night in Duke Auditorium. Unveiling of the statue of the late NCC founder and first president will highlight Alumni Day activities on Saturday, 4:00 p. m.

HOME DEMONSTRATION AGENT IN-THE-KITCHEN SAFETY HINTS - When the word "accident" is mentioned most of us think of the latest big tragedy reported for us to realize that more people are killed or injured in "home" accidents than happen quietly one by one. One of the most shocking accidents is that of a child killed at play around his own home.

It opened the eyes of those who tried GOLDEN ESSO EXTRA for the first time!

1956 LINCOLN OWNER
"This car puts out the power I paid for, now that I'm feeding her GOLDEN ESSO EXTRA... really makes it respond!"

1957 CHEVROLET OWNER
"I didn't believe the difference 'til I tried another gas. But GOLDEN's a real eye-opener. I love it."

1957 PLYMOUTH OWNER
"What this new gas does for my car sure opened my eyes... going up a hill, for instance. And it seems I don't need gas as often..."

1956 CHRYSLER OWNER
"You feel a great difference. I have used it ever since it came out. When I try another gas, I can tell the difference."

These enthusiastic comments are typical from drivers who try GOLDEN ESSO EXTRA. In a survey, in fact, 82% of the owners of late model, high-compression cars reported an immediate improvement with GOLDEN ESSO EXTRA! Motorists found it gave them a brand-new motoring experience! Developed by Esso Research, this is the first gasoline actually designed to get top mileage, full power, and instant response from today's most advanced engines.
