FAYETTEVILLE—Hundreds of fun-loving citizens with their beautiful evening gowns and tuxedos invaded the spacious auditorium of the Winslow Street USO to witness the crowning of Mrs. Ruth Burney Washington as Miss Fayetteville Beautician of 1957 recently.

The occasion was the annual beautifuls cabaret ball and Mrs. Washington had been selected by popular vote. Mr. Sippio Burton, president of the Barbers Club, crowned Mrs. Washington.

Carlott's celebrated orchestra played for the dance that followed and for the one hour floor show, which featured a local quartet and dancers, singing some of the latest song hits and demonstrations of the popular and new dances. Refreshments were served by the committee.

Each year this club sponsors a cabaret night in an effort to make their contribution to local civic, religious and educational organizations.

Mrs. Laura Wright is president of the club.

## WARNER LOOKS 'EM OVER

CHARLOTTE — Last Thursday, July 18, the Rev. E. R. Michael, pastor of the Little Rock A.M.E. Zion Church, and Rev. Wilson Bridge, (white) of Canada made history when plans were made to swap or exchange pulpits in August.

Rev. Bridge is pastor of the Lachute United Church in Lachute, Quebec, Canada. The ministers will not only exchange pulpits, but will exchange church parsonages. Rev. Bridge will bring his wife, and teenage son to reside at the Little Rock parsonage, while Rev. Michael, along with his wife and two daughters, will reside at the Rev. Bridge's parsonage in Canada.

Rev. Michael said so far as it is known this will be the first time in the United States that a colored and a white minister have exchanged pulpits.

## FIRST MT. ZION BAPTIST CHURCH NEWS

Last Sunday morning the pastor brought a soul-stirring message. The text was taken from John 8:17. The Rev. Mr. Lowery spoke from the subject, "Power". The able minister pointed out that sometimes we seem to feel that we can do whatever we wish without the power of God. But he said that if we fail to put God in our program we have failed already.

During the morning service the music was furnished by the Junior Choir, under the direction of Miss Earthy Clay.

The pastor and officers are very proud of their Senior Missionary Circle which is doing such a wonderful job.

**PARKS FOR ALL**  
ROCKY MOUNT — All the argument being raised against the use by people of color of the State Parks in the South (National Parks are now open to all), should prove to be enlightening—if not indeed embarrassing—to intelligent white leaders, particularly in Tarheels, as they strive hard to keep the parks "lilywhite".

**LESS THAN 20 PER CENT**  
A Durham weekly has given a figure which indicates that the M. C. Board of Conservation and Development has secured appropriations for the operation of nine "white" parks in the amount of \$517,175, while only \$90,775 has been allocated for the two "colored" parks (Jones Lake and Reedy Creek).

This figure is to be less than 20 per cent allocation for Negroes, of the amount given to whites, or less than 15 per cent of the total allocation while colored population is 25 per cent of total. This appears to be far from our much-vaunted "equality" of treatment supposed to go along with our legal "separate but equal" theory which is usually without the practice, as is clearly shown in this case.

A Scotland Neck paper, whose publisher, we believe, has been (if not now) a member of the Conservation Board, strives to soften the impact of such unequal competition by stating that the C-D Board thought "to be sound, and the cooperation of both races was urged in order that the parks may be of maximum benefit".

The Commonwealth contends that the facilities "are every bit as good as those offered the members of the White race," despite the limited number and unequal distribution of location. He spoke of how no results had been realized from an attempt to negotiate a deal with real estate interests near Topsail Island for a Negro beach near a Negro development on New
