

F. B. I. Nabs Suspected Killer In 1955 Murder Case

Fugitive Held In Deaths Of 2 Young White Women

CHICAGO — (AP)—A 32-year-old fugitive wanted for questioning in connection with an Omaha, Neb., murder, was captured last week in a Chicago subway by FBI agents who held a warrant for his arrest for unlawful flight to avoid prosecution.

The man, George D. Jones, alias John D. Phillips, an Omaha packinghouse worker, is charged with the slaying of Mrs. Rita Kappennan, a 21-year-old white housewife last May. Omaha police also questioned Jones in connection with the unsolved 1955 slaying of Carolyn Nevins, a 20-year-old University of Omaha coed.

The suspect was arraigned in Chicago on a federal warrant charging unlawful flight to avoid prosecution. He will later be removed to Omaha where Commissioner J. Bentley Pike will question him.

Jones also faces a rape charge in Little Rock, Ark., for an alleged assault on a white woman there on Sept. 11, 1954 in Pulaski Heights.

FBI agents refused to say how Jones was traced to Chicago, but they stated that he was living at 819 Orleans St. under the name of John D. Phillips at the time of his arrest.

Under two hours of grilling by Omaha police, Jones reportedly made no statements of admission to the crimes charged to him. Omaha Police Chief C. H. Ostler indicated that "we have enough evidence to make a successful case in the murder of Mrs. Kappennan."

A spokesman said that Jones offered no resistance when FBI agents arrested him in the Chicago Ave. subway station here.

Top Promoters Bid For Roy Hamilton

NEW YORK — If any thought exists that singer Roy Hamilton's two-year absence from the theatrical scene dimmed his popularity, one only has to visit the Gale booking agency where the telephone lines are swamped with calls from eager promoters who want to book his current tour.

Preparing to invade the south on his first one-night tour since 1955 for two weeks Hamilton's manager, ex-disc jockey Bill Cook, said that it would have taken six months to fill all the requests that poured into the office.

Dance promoters who remember their jingling cash registers and long lines of spectators forming at the box office when his name was put on their marquee, heralding an

appearance were literally begging to get him for a one-nighter.

To test his box office appeal, last month the lanky and modest Hamilton played a one-nighter in Atlanta. Promoter B. B. Beamon still smiles when he tells of the 6500 people that poured over \$127,000 into his coffers.

Featured with Hamilton on his current show that opens in Atlanta and then continues on the Dixie circuit will be Buddy Johnson's band, Ella Johnson, the Clovers and Spaniels quartet, Huey Smith and the Clovers, Bobby Marchand, Johnnie and Joe, Screaming Jay Hawkins, Donnie Elbert and Annie Laurie. The show is expected to gross over \$150,000 during its 14-day trek.

GREENSBORO — The District meeting of the Order Eastern Stars met June 29, 1957 at Thomasville with the "Rose of Sharon No. 22" as host chapter.

The meeting was presided over by the District Deputy, Mrs. Priscilla Jones. The yearly reports coming from the various chapters were excellent. The charitable contributions from each organization was indeed gratifying.

The address of the day given by Mrs. Maggie Strong, Grand Worthy Macon, was most enjoyable. It was very informative and instructive. Rev. C. W. Lawrence, Grand Benevolent Secretary, presided over the "Question Box". His broad knowledge of the Or-

Veterans Administration Saves U. S. \$15,000,000

The savings and return of \$15,000,000 to the U. S. Treasury during the past four years was announced by Veterans Administration.

Effectuated through the establishment of a revolving supply fund and an intense "cost consciousness" drive, the savings enabled VA to hold supply costs at 1952-53 levels, in spite of increased prices and a 14 percent rise in veterans medical care.

Reduced warehouse inventories and a corresponding increase in supply turnover were elements in the saving.

Another factor was the reduction of "lead time," the period between the order and the delivery of materials.

VA returned \$4,000,000 of the \$15,000,000 to the Treasury during fiscal year 1957, which ended June 30, 1957. Another \$1,000,000 will be returned within the next three months, VA said.

Q. I am a disabled Korea veteran taking vocational rehabilitation training. Will my monthly subsistence allowance end as soon as I am declared rehabilitated?

A. No. It will go on for two months after you are declared rehabilitated.

Q. I have a World War II GI term insurance policy. If I needed a loan, could I borrow on this policy?

A. No. World War II GI term insurance has no borrowing value. However, your World War II term policy may be converted to permanent insurance, which does begin to build up a loan value after it has been in force one year.

Q. A friend of mine recently lost his sight as a result of World War II combat injury. What is his deadline for obtaining VA grant to buy an automobile?

A. He has three years from the time his blindness occurred to file an application for a VA grant for an automobile.

AME Leaders Rap Allen U. Prexy For Banning The NAACP Chapter On S. C. School's Campus

COLUMBIA, S. C. (AP)—Statewide concern and disapproval have followed rumors that President Frank R. Veal of Allen University has taken steps to disband the college chapter of the NAACP. He is said to have ordered all mention of the chapter deleted from the 1957 college catalog.

Allen University, maintained by the African Methodist Episcopal Church, has been a citadel of race respect in the turbulent racial situation in South Carolina. The seat of the office of the strong South Carolina AME Episcopacy, under Bishop Frank Madison Reid, it withstood every pressure to submit to the racist pressures of former governor Jimmy Byrnes and the South Carolina legislature.

NEW BISHOP, NEW CHANGES

With the advent of a new bishop, the Rt. Rev. J. H. Banner, observers say a definite change in the attitude of school officials is noticeable.

able. Minor state and police officials are said to have conferred with the head of the school and offered threats of various types.

For example, in an effort to improve its faculty and secure adequate scholastic rating, President Veal hired three professors holding Ph. D. degrees. Two of these new people are said to have been refugees and one an American Negro. The foreigners have lived in easy social harmony with the rest of the Allen faculty and low ranking police officials have created what is said to be interference with the school's faculty by charging the new professors are left wing.

It is reported in AME circles that state education officials have threatened to withhold teaching jobs from Allen graduates this year in schools controlled by the state board of education.

MRS. SIMPKINS 'SPEAKS HER MIND'

Reached for comment on the situation, Mrs. Andrew W. Simpkins, state NAACP secretary, said, "I have discussed this matter at length with many persons, including our state president, James M. Hinton. Speaking for myself and expressing what I naturally believe would be the unfailing reaction of our fellowship throughout the State, I would say that these reports give us great concern in the light of the marked contrast to the position taken heretofore, and the fact that I have always felt free indeed on the campus of Allen University.

"If Negro young people in our church and private schools are not to be allowed to think freely and

express themselves fully on all issues where in God's name can they do so? Who is supposed to control the schools that Negroes support anyway?"

"In a registered letter to the Right Rev. J. H. Banner, Bishop of the diocese, I have urged that the unswerving civil rights stand of Allen University, the most outstanding educational institution in the connection, be maintained as it was for years under the militant and dynamic leadership of Bishop Frank Madison Reid in his unrelenting struggle for full citizenship here in South Carolina."
