

"BACK TO SCHOOL BELLS RING"

Mrs. Lucinda Harris Most Outstanding Business Woman Of Year In A Sorority

DURHAM — Mrs. Lucinda Harris, a native of Durham, has been selected as "the Most Outstanding Business Woman of the Year" in her region of Iowa, which takes in New York and the New England States. She is a candidate

for the grand National Honor against candidates from other regions.

Mrs. Harris is a graduate of Hillsdale High School, holds a Bachelor's degree in Science Degree in Commerce from North Carolina College of Durham, and has done further study toward the Master's

Degree at Columbia and Northwestern universities. She is a member of Saint Mark A. M. E. Zion Church, where she is a teacher in the Sunday and president of the Dramatic Club of the church. She works with the blind in the community, by seeing that they receive transportation to and from church each Sunday. Mrs.

Harris is also a member of the Harriet Tubman YWCA, on the staff of the Interracial Golden Ages. In her work with this group, parties are sponsored once each month to honor birthdays of the aged. She is a member of Tau Gamma Delta Sorority and is now serving as Southern Regional Director. She has organized four chapters in her

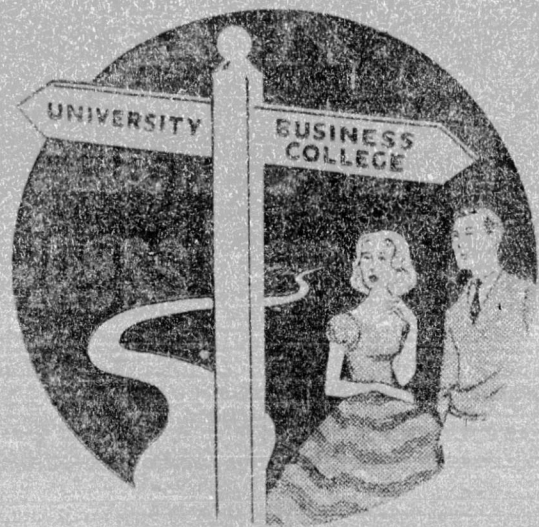

territory since being elected to this office. At the Sorority's Bazaar held in Durham, August 1955, she was selected "Soror of the Year" for her outstanding achievements and contributions to human betterment. In addition to the aforementioned Mrs. Harris is affiliated with the National Council of Private Business Schools, of which her school is one of the 227 members.

The Durham Business School is accredited by the North Carolina Department of Public Instruction, approved by the Veterans Administration and is a member of the National Association and Council of Private Schools. The school occupies a building owned by the founder which consists of 1240 square feet of classroom space and is adequately equipped with modern instructional equipment. The school is located near the heart of the business district in Durham, a city which is said to be one of the most prosperous communities in America, a city of education, industry, hospitality.

On August 23 feed and fertilizer users will go to the polls to vote on whether to continue the Nickels for Know-How program for another three years.
