

'Stand Firm On Integration,' Jackson Tells Miss. Negroes

JACKSON, Miss. — "If rebellion against the laws of the nation continues, Washington will send troops to Mississippi," said Dr. Joseph H. Jackson of Chicago, President of the National Baptist Convention, recently in an address to the Mississippi Baptist Convention.

He continued, "The ballot cannot be in the hands of one group. We must either deny the democracy of freedom or give everybody the right to vote."
More than 5,000 crowded the Lynch Street Masonic Temple to hear one of the world's fore-

most religious leaders of the day call upon his constituency and others to stand firm on integration and keep fighting for voting rights.
He said, "We cannot make certain concessions to people who don't believe as we do, but there

which we cannot retreat if we are going to have a democracy."
Dr. Jackson spoke on familiar ground—a type of homecoming—since only a few years ago he came to Jackson to pursue a college education.

He was born in Coahoma County and has gone far from his humble beginning. His educational achievement includes an A. B. degree from Jackson College, a B. D. degree from Colgate Divinity School, Rochester, N. Y., an M. A. degree from Creighton University, Omaha, Neb., and a D. D. degree from Jackson College. The Rev. Jackson is an author, world traveler and one of the world's most effective and distinguished preachers and lecturers.

His book, *The Eternal Flame*, a widely distributed volume, gives his impressions of Russia as seen during a preaching mission throughout the Soviet Union in 1955.

Simultaneously being president of the largest Negro organization in America, the National Baptist Convention, U. S. A., Inc., Dr. Jackson pastors one of America's largest congregations, the Olivet Baptist Church of Chicago.

Under the dynamic leadership of Dr. Jackson the church has come to new heights in membership, giving and building. Within the last 4 years more than 5,000 members have been added for a total of more than 12,000. In January 1957 the church undertook a \$100,000 expansion program and by June 30, 1957, \$57,000 had been deposited with enthusiastic assurance of reaching the entire goal before the end of the year.

New recognition has been given NRC under Dr. Jackson's forward leadership. He sits as member of the Executive Committee of the Baptist World Alliance and as a member of the Central Committee of the World Council of Churches which recently met in New Haven, Conn.

As a dedicated leader Dr. Jackson has spoken throughout America on civil rights, nuclear weapons testing and stockpiling, juvenile delinquency and other moral and social issues.

He closed his address to Mississippi Baptists by saying, "we cannot remain a democracy with one-half of the people living in contempt of court and the other half living for the court."

"Don't get bitter," he warned. "Don't try to solve every problem with your own hands, but use both persistence and patience."

"FIRST" — Mrs. Claudine Wilson Jackson, Greensboro, a senior at A and T College is the first woman to enroll in auto mechanics. A major in Clothing and Textiles in which she expects to earn her degree this summer, Mrs. Jackson, a better than average driver, took the course so that she might be able to maintain the family car. A native of Durham County, she earned most of her educational expenses as a waitress and operator at the college during the past four years. She married just a year ago.

BOOKED IN GANG SLAYING — Seventeen-year-old Irving Cotten (right) of (1051 Intervale Ave.) The Bronx, N. Y., is shown with a detective as he is booked at the 34th Precinct police station early a. m. August 15th on charges of felonious assault. Cotten is accused of being a member of the teenage gang that last month fatally stabbed young Michael Farmer and injured Roger McShane in a fight in the Highbridge Park Area. Cotten and nine other gang members who were booked at the time were to appear before a Grand Jury later August 15th. (UNITED PRESS PHOTO).

Housing Group Seeking Homes For 2 Persons

PROVIDENCE, R. I. (AP) — The Rhode Island committee on discrimination in housing took to the newspapers here last week its fight for integration in private residential neighborhoods.

The committee inserted an advertisement in the *Providence Journal* seeking a home for two Negroes "because of their race."

One is a high school teacher, Mrs. Alan Wilson, who graduated last year from Bryant college as the outstanding woman student. The other is Lt. Carlton Peay Jr. of Ridgewood, N. J., who was assigned early this year as personnel psychologist at the local army recruiting station.

Said Mrs. Shirley Lee, committee president, "We decided to run an ad when we learned of the success of a group in Palo Alto, Cal., in finding a home for a Negro chemist professor by using such an ad."

Science Shrinks Piles New Way Without Surgery
Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as: "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository* or *ointment* form called *Preparation H*. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

Nat'l Business League Meets In Boston, Mass.

WASHINGTON, D. C. — The South, East and Mid-West will be prominently represented among the speakers at the National Business League's 57th Annual Convention, which will be held at Boston, August 28, 29 and 30.

Delegates from most of the 24 States where League locals are functioning will hear Ambassador George A. Padmore, of Liberia, speak on "Business Opportunities in West Africa," and will also hear Edward Davis, top-ranking Studebaker dealer, of Detroit, speak on "The Operation of an Automotive Sales Agency." Clarence Robinson, steel company executive of Youngstown, Ohio, will present "A Negro Executive in a Steel Manufacturing Firm." James Blayton, of Atlanta, "Pooling Capital," and a Small Business Administration official, "Government Resources for Financing Small Business."

The presentations will be made on two panels—"Careers in Business" and "Capital Formation"—the pooling of capital. George O. Butler, columnist, who is Educational Director for the President's Committee on Government Contracts, and Mrs. Geneva Kent Valentine, Washington realtor and prefabricated homes manufacturer, will be panel moderators.

The Convention Theme, "Planning the League's Future," will be presented at the afternoon session, 2:30 to 4:30, on Wednesday, August 28, by President Frederick D. Patterson, and will be
