daughter Myra are home on Lincoln St. from New York where Mrs. Korney attended summer school at Columbia University. Mr. and Mrs. Frank Crump and children of Roanoke, Va., were weekend guests of Mr. and Mrs. George Lightfoot at their home on Lincoln St. The Lightfoots entertained their guests Saturday evening on the lawn. Attending were Mr. and Mrs. Felix J. Collier, Mr. and Mrs. James J. Way, Mr. and Mrs. Elisha White, Mr. and Mrs. Allen Williams, Mrs. Thelma Ingram, Miss Margaret Davis, Mr. and Mrs. Frank Crump and Mr. Claude Jackson.

Children who are confused about what school they will attend should watch this column in this paper. All 7th and 8th graders will be held at the old Dilard, now known as West Elm Street Junior High. Children in the first through sixth grades and who live in Little Washington section will attend School Street School. The same grades for children who live in the north section will attend Greenleaf school. The 5th and 6th grades of East End section will attend the new Dilard building on Dovescaux St. and the 8th through 12th graders will, of course, attend the New Dilard High on Devereaux.

A WONDERFUL SUGGESTION: Before the Raleigh School Board voted to refuse to allow Joseph Holt, Jr. to attend the Broughton School earlier this month, one of its members said he might feel inclined to vote for Holt to attend Broughton if other Negro children from the Oberlin area were to attend also. At the hearing of this application last week, the Reverend S. F. Daly caught that lion right by the tail with the suggestion that the board prove the sincerity of the members who felt that it would be all right for Holt to attend Broughton along with some other Negro children by strictly assigning some of his Oberlin classmates to the Broughton school. In as much as the school board does have the prerogative to assign students for hardship and other reasons, and it certainly is a hardship for the Oberlin children to be compelled to attend the Ligon school located over three miles from Oberlin, the suggestion by Rev. Mr. Daly that the board assign a number of these children along with young Holt to the Broughton school, was by far the most forceful and challenging statement made at that hearing. The board members who have professed concern for Holt's safety should be the only Negro attending an otherwise all-white school and who indicated they would look with favor upon other Negro children admitted there with Holt may have been quite sincere in their profession. Now that Mr. Daly has shown them how to safely overcome this concern, the test of their sincerity is before them and, it is also before the public.

SUCH A CITY: Why the poor state worketh who will find themselves marooned in their elegant new building on Tarboro Road with no place to get their noon time meal. Of course these hundreds of state employees are all white and the building where they will soon be working is located in an all Negro section. The irony of this situation is that this new building was built in this location despite the pleadings of the Negroes who live in that area. During the hearings on this subject, it was pointed out that this was an area containing some of the best homes owned by Negroes in this city and besides that, the site proposed for this state building was serving the Negro youth in that section as a recreational project.

MAN KNIFE AT DRIVE-IN RALEIGH—Lynn Smith, 37, of the 900 block of S. West Street, was sent to Saint Agnes Hospital's operating room Monday night for treatment of a knife wound which he reportedly received around 7:30 a. m. Smith said he was stabbed from behind at the Six-Four Drive-In Grill on Center Street Monday morning. He could not identify his attacker and said it happened while he and a "bunch of pulpwood boys were drinking."

Thousands Arrive By Sunday morning several thousand delegates, bills and Daughters of the BPOE had arrived in the Quaker City for the full week's program of business and entertainment scheduled to open with memorial services at 11 a. m. in the South Philadelphia High School convention headquarters. A Health Program was on for the afternoon and the Shiloh program at First African Baptist Church followed by the baccalaureate sermon for the educational department at night at the school. George W. Lee, Memphis, Tenn., was in charge.

Arrival of Negroes (CONTINUED FROM PAGE 1) chief interpretation of colonial national historic park near here. He said, "How the Dutch came to bring Negroes we do not know as there is only a brief documentary reference to the event." "But," Hatch added, "it is certain that the Virginia settlers nowhere referred to them as slaves and that they treated them as by-law settlers. There are references to the Negroes winning their freedom and even becoming property owners in the colony."

Integration (CONTINUED FROM PAGE 1) Carolina, appeared to be holding the school color line with little trouble, things were not so settled in Virginia, North Carolina and Tennessee. At Nashville, where a program of racial integration is scheduled to start this year, the city school board hastily called for a federal decision as to whether a state "preference" law will conflict with a federal integration order. The board met recently in a special session and in two minutes unanimously adopted a plan to ask "four attorneys to take immediate steps" to see if the board can conform to the 1957 state law, due to "possible conflict of the state law and the present court order."

Church News Guest speaker at the Antioch Free Will Baptist Church at the 11:55 worship service was Rev. Fred Lofton, who used as a subject, "My Father In An Innumerable Society." The effective and dynamic message was well received by the almost capacity audience. Community wise, the people are very proud of Rev. Lofton and justly so. The young minister is a native son, was graduated from Adkins High School in 1948 and received his Bachelor of Divinity degree at Morehouse College in 1952. He is presently serving as college minister and dean of men at Owen Junior College in Memphis, Tenn.

GETS LONG TERM FOR ASSAULT KENANSVILLE — James McArthur, Jr., 21, was given a 10-15 year State Prison term Tuesday after entering a plea of guilty to charges of assault with intent to commit rape on Mrs. Emma Brinson, 62-year-old white woman of near-Kenansville. Judge Paul Frizzelle also sentenced the man to 8-10 years for breaking and entering with intent to commit a felony. The sentences are to run consecutively.

SEVEN NABBED (CONTINUED FROM PAGE 1) was Robert Joe, 40, of 400 block Patterson Lane. However, an added charge of public drunkenness was lodged against him. Bond was set at \$50 for Joe, who had one pint of the "white stuff" on his person. Ernest Ridley, 65, of 600 block Quarry Street, rounded out the figure seven. Joe and Ridley charged with illegal possession, his bond was set at \$50.

WHITEHEAD DIES (CONTINUED FROM PAGE 1) treasurer-business manager of St. Paul's for the past two years. Prior to that he had served the college variously as registrar, head bookkeeper, and assistant treasurer-business manager. In 1947 and 1948, during the illness of the late Dr. James Alvin Russell, second president of the institution, Mr. Whitehead headed an interim committee administering the college's affairs. Funeral services were conducted Tuesday, August 27, at 2:00 o'clock at the Memorial Chapel on the college campus. Interment was in the college cemetery. The final rites were conducted by the Rt. Rev. George P. Gunn, Norfolk, bishop of the Protestant Episcopal Diocese of Southern Virginia, and the Rev. Alexander H. Easley, chaplain at St. Paul's College. Member of a distinguished Virginia-North Carolina family, Mr. Whitehead served for over 20 years as secretary of the central inter-collegiate athletic association, whose membership embraces the leading Negro colleges in the Middle Atlantic and adjoining states. He was a prime mover in the founding of the CIAA, and upon retirement as its secretary was elected an honorary president. Mr. Whitehead was in apparent good health, had spent the day in his office, and was chatting with his wife and friends when stricken. Dr. Clifton F. Nelson, a neighbor, was summoned immediately and passed within minutes of his arrival. Mr. and Mrs. Whitehead had planned to move, upon his retirement next June, to Los Angeles, Calif., where a married daughter lives with her physician-husband. Their only son, Major John L. Whitehead Jr. was a much decorated combat jet pilot during the Korean War. He is now assigned to March Air Force Base in California. Other survivors include the widow.

ABRAMS KILLED (CONTINUED FROM PAGE 1) had passed into eternity. Although believed to have been stabbed in the heart, Abrams lay for about 45 minutes after being stabbed. He was admitted to Saint Agnes Hospital, where officers and an ambulance attendant were required to restrain him while fluid was being administered. He died without ever regaining consciousness, however. A native of Raleigh, Abrams had worked for a number of years here as a brick mason. A check with the Lighter Funeral Home Wednesday morning revealed that tentative plans are for a Sunday afternoon funeral for Abrams. The dead man, who attended the public schools of Raleigh, is survived by three sisters, one brother and other relatives.
