a royal princess as she attended We wonder why the student classes. Then when physical in- council - and faculty - of Hardjury appeared eminent she re- ing did not make an effort to proluctanly withdrew. We regret she tect Dorothy from such outrages had to stop. We hope that before so as to preserve the city's reputathis becomes public copy he will tion from the scorn of the world? have rested and reentered Harding | We would vouch-safe that more high; and that the many, many de- than 75 per cent of the 1,160 stucent white students there will have | dents involved have or have had seen to it that Dorothy gets a fair | colored girls to administer to their every personal need from the cradle up, including cooking and putting food into their littles mouths. They have slept in the arms of these colored girls and their mothers. What more "social equality" can you get where children are concerned? Yet, they have been taught to hate the hand that has ted them, washed their clothes and bathed them - when they meet in the same schoolroom!! We could hardly believe that Americans even southerners -- could be so Illogical.

We call upon Negroes to repeat the example of Dorothy Counts by marching steadfastly forward with head erect and spirit unbowed, trusting in a Divine Providence and at the same time exercising the | ing tools of democracy in securing and piete first-class citizenship.

We have only contempt for those parents who held their children and examination, back to see what would happen to Dottie Counts and others who volunteered to make the test for all. We must count up the cost before we start, and once committed, let nothing deter us.

The late and lamented Walter White of NAACP fame did not mean to fight with one's fists or weapons whom he frequently said: IT IS BETTER TO DIE ON ONE'S TEET THAN TO LIVE FOREVER ON ONE'S KNEES."
