

# ROXBORO-REIDSVILLE

**ROXBORO** — MISS INEZ THOMAS, a 1935 graduate of Person County High School, and the daughter of MR. and MRS. BENNY "HOOT" THOMAS of ROXBORO, has returned home after spending two years in New York City. She will remain at home until her mother — who became ill recently — is back in good health again.

MR. and MRS. ROBBIE BARNEIT of ROXBORO were among the 60,000 spectators that witnessed the first game of the World Series at Yankee Stadium.

Mr. Charles Ford, is working hard on the proposed "recreation park and playground program" that was inaugurated last fall as a result of the \$300,000 that the colored people of Person County received for being selected the "County of the Year" in a statewide rural development program that is sponsored yearly through the Agricultural set-up of A. and T. College. Mr. Ford spearheaded the "County of the Year" drive and he is taking the lead in the park and playground promotion.

**BRID PERRY** of SUGAR HILL, has always taken an interest in the birds. He at one time opened a small park for their enjoyment and at present a power-operated merry-go-round is kept intact for the amusement of the community kids. He is contemplating opening a play area sometime in the future.

A few of the fellows that were born and reared in Person County were discussing "ages" of different local personalities last week. They compared the ages of childhood playmates and friends who then picked up on the years that marriages took place — you'd be surprised at the number of people around here who are claiming to be in their thirties that are really in their forties and fifties, according to the count of the fellows.

**CURTIS NORWOOD**, is opening a real class "Milk Bar" on the Hill. He will specialize in Milk shakes, foisted sandwiches, ice cream and other refreshments, specialties of the confection family. He is now open for business.

**LOCAL YANKEE BASEBALL** fans paid off their bets Sunday after their team lost a heartbreaker to the Milwaukee Braves. If Milwaukee can win another one, you will see less and less Yankee money.

IT IS RUMORED THAT A DANCE HALL for colored may be erected in Roxboro. If so, it will give the people of Roxboro a place of recreation at home and it will not be necessary to run to Oxford, Henderson and Durham, to listen and dance to the tunes of famous name bands.

MR. JAMES ALEXANDER and wife, Alexander was the former band director at Person County High School are enjoying the wholesome surroundings of their new location (East Spencer, N. C.) according to a recent communication.

**SICK AND SHUT-IN**  
Mrs. Walter Tate is recovering from illness at his home on Thicket Ave. Mrs. Nancy Smith, Mr. Willard Terrell, Mrs. Virginia Lyons are steadily improving after illness. Mr. Marjorie Cooper has returned to his home in Washington, D. C. after attending the funeral of his father-in-law, Mr. Sterling Ruffin.

Services were conducted at the Mount Zion Baptist Church of Orange County last Sunday. Sunday School began at 10 a.m. The regular sermon was delivered at 11 a.m. by the pastor, the Rev. T. M. Moberly.

The Community Club of West Durham Baptist Church sponsored a program Sunday afternoon at 3 p.m. The speaker was the Rev. E. J. Thompson.

## Ligon Junior-Senior High School News

**BY CATHERINE BALL**

During the past week, Homecoming seemed to have been the chief topic throughout the walls of Ligon. Homecoming candidates are working hard to receive the "Miss Ligon High" title. Clubs are beginning to talk about floats, band members are practicing songs for the parade, majorettes are getting new steps, cheerleaders are making up new yells and the football team is working hard to lead up into another homecoming victory.

A publications committee, under the supervision of Mrs. J. W. Robertson, is working hard to publish souvenir programs for the occasion.

Homecoming Day is October 11 and the Student Council is planning a grand Coronation Ball on Wednesday, October 9, to honor Miss Leon High, her attendants, the football team, majorettes, and cheerleaders.

The Annual Homecoming Parade will begin at 7:30, leave the Raleigh Memorial Auditorium and come through the city's business district to Chavis Park, where the Ligon Little Blues will play host to New Bern for the homecoming game. Half time activities are planned.

The Ligon Little Blues brought a third football victory to us last week after playing the Hillsdale Hornets in Durham. The Blues won by a score of 14-0. The school chartered two buses to carry the Ligon students to the game and a crowd of parents and friends cheered the boys to victory.
