ROXBORO - The Annual Fi nancial Drive of the Roxboro Elementary School, which ran from September 30th to October 14th. ended in an overwhelming success.

Never in the history of our school have we witnessed a more anxious group to work and cooperate one hundred percent for the good of all.

A popularity Contest was held during the drive which in the finals determined a Queen and King | from each department

The winners were as follows: Grammar Grade Department. Queen: Miss La Vanne Baird -Eth grade Mrs. F. B. Specer's room; -King: Mr. James Thompson -6th grade Miss V. D. Burton's room; Primary Denartment Queen: Miss Jacqueline Vaughn -- 4th grade Mrs. E. H. Lee's moon; King, Har-'ry Winstead - 4th grade, Mrs. E.

Most of the teachers raised their desired quotas. The total amount raised was \$1,113.74. We take this method to thank

all teachers, students, parents, pafroms and friends who helped us Frealize this large amount. Fof we realize it was you, and you who worked so unceasingly with us. Again we thank you.

Clay soils hold water better than sandy soils. Farmers are advised not to dig their sweet potatoes too early.
