

United Fund Area Total Now Stands At \$1603.50

Mrs. Peter H. Williams, chairman of the Negro Residential Division of the United Fund Campaign of Raleigh, announces that the division in its last report meeting of October 14, had raised a total of \$1603.50. This year's total was \$1603.50. This year's total is 9 per cent more than was raised last year so the group is optimistic that the goal will be exceeded at the next report meeting.

The next report meeting is scheduled for November 1 at 10:30 A.M. on East Davie St. All workers are urged to submit their reports at that time if they have not already done so.

The Negro Residential Division is divided geographically into elementary school areas. Reports to date show the Washington School area under the chairmanship of Mrs. George F. Newell reporting the largest amount. Mrs. Newell's area reported a total of \$629.40.

GETS SCIENCE GRANT — James Pendergrast, associate professor of Chemistry at A&T College has been awarded a Science Faculty Fellowship to continue his studies on the doctorate degree. The announcement, made last week, stated that his is one of sixty given science faculty members throughout the nation. The grant will permit him to study at Pennsylvania State University for 15-months beginning next fall. Pendergrast, a 1933 graduate of A&T College, holds the M.S. degree from Howard University and is a recipient of a Ford Foundation Fellowship, studied at the University of Minnesota 1931-1932, and with that exception has held his present position since 1945.
