

"New Era" In Birth Control Techniques Is Seen By Panel

NEW YORK CITY (AP) — A variety of effective new contraceptives is emerging to revolutionize family planning practices throughout the world, a panel of experts announced here TUESDAY.

The ultimate form of birth control—a contraceptive pill—was discussed, but it was agreed that current studies are too new to be completely evaluated.

Dr. Alan F. Guttmacher, director of obstetrics and gynecology at New York's Mt. Sinai Hospital and chairman of the panel, re-

vealed preliminary medical reports on tests of four new birth control methods. It was agreed that some of the simpler methods are about to move from the experimental stage in the wide clinical use.

The reports were made at a symposium at the 37th Annual Meeting of the Planned Parenthood Federation of America, at the Hotel Roosevelt. Thirty-seven doctors, ministers, social scientists and educators participated in the all-day panel discussion. "We are on the threshold of a new era in birth con-

rol," Dr. Guttmacher told a press conference following the meeting. "While it is not certain that any of the currently new methods will prove to be the ideal answer, there is no question that they represent a bold step in the right direction."

"Current research will produce a variety of simple methods from which couples may choose," Dr. Guttmacher continued. "Some of them are already available."

Italian eye grass makes a good winter lawn, but it's temporary.

L. F. Palmer To Handle Publicity At Fisk Univ.

NASHVILLE, Tenn. — The appointment of L. F. Palmer, Jr., as director of publicity at Fisk University was announced recently by President Stephen J. Wright.

Palmer, former public relations officer of Provident Hospital in Chicago, has served on the editorial staffs of the The Chicago Defender and The California Eagle.

Palmer arrived in Nashville to assume his duties October 31.

PLANNING NEXT ISSUE — Miss Carolyn R. Brown, of Johnson City, Tennessee, editor of the Bennett Banner, student newspaper discusses plans for the next issue with Miss Barbara Hammond, circulation manager, of Winston-Salem. The Banner is published monthly.

ST. AUGUSTINE'S Campus Chatter

By NANCY RHICE

Hi gang, it's Nancy again with her same old talk from St. Augustine's College. What's the word? "F-L-U" (Cough, Cough). No, I don't have it, but a number of the kids do. Why the "Falcous" cough? Well, the Falcon football team Saturday, because of the little word "FLU". The Flu is really busy around St. Augustine's these days; in fact, it's almost as busy as our college choir, which by the way is the greatest yet. Our choir is very well organized under the leadership of Mr. J. C. Moore and accompanied by Mr. T. Thornley at the organ. Mr. Eddie Rayford is the president of the wonderful organization. Yes, St. Augustine's students can really say "Hats Off to our College Choir" for doing such a tremendous job.

Last Wednesday, October 16, found an affair at Taylor Hall that will not be forgotten for a long time. It was the installation of our Student Council officers and members for the year 1957-58. Raymond Hunley was installed as president. Mr. Hunley is also a president of his senior class, member of Alpha Phi Alpha Fraternity, and an outstanding student. As Vice-President, Mr. Harry Satterwhite was installed. He is also a member of the Senior Class and the Omega Psi Phi Fraternity. Miss Nancy Rhice was installed as secretary. Treasurer,

Miss Ann Sawyer, and Business Manager, Mr. Walter Kenan. Other members included: Miss Willie L. Kelly, Miss Harriet Bryant, Mr. James Covington, Miss M. Yvonne Hurt, Miss Mary Burnett, Mr. George Flemming, Mr. Jerome Battle, Miss Barbara Brown, and Mr. George Weaver.

Dr. J. A. Bover, president of the college, discussed the purpose and duties of the Student Council. He elaborated on points about Student Council members having qualifications such as average character and willingness to serve as a member. Dean P. P. Robinson, emphasized points the president discussed. The President of the Student Council, Mr. Hunley, accepted the charge to officers and members during the installation services.

Naturally there was a college dance Saturday night, but with the flu going around, the crowd wasn't too large. St. Aug. Students can have a "boss" time with just a few. They can do it, because it's not the number that always counts. It's who makes up the number. (Have Mercy)

Well, next week maybe the flu will be gone and there'll be more to talk about but believe you me, the word at the present time is "FLU". I don't mean PLEW, but I mean FLU!
