### Adele Addison To Sing Opera Role In Fantasy

NEW YORK (AP) — Enjoying its most successful run, the New York City Opera has extended its winter engagement one week, ending November 17, instead of on November 10 as previously scheduled.

During that week, Miss Adele Addison, the only colored singer with the company this year, sings her role in "Turandot," the Chinese fantasy, the only

role she has been given this year. Last year, Larry Winters was the leading baritone with the company singing an unprecedented number of roles in seven operas. This year, Mr. Winters is on tour.
