## Singer Laverne Baker Helping Larry Steele

CHICAGO — Singer Laverne Baker is one to never forget a friend as veteran theatrical producer and showman Larry Steele

will testify to. In need of a headliner for his show that comes into the Regal theatre here on November 26th, Steele appealed to her to help him and she responded.

Coming off a grueling three months tour with the Big Show of '57, Miss Baker has been slated to take a month's rest at her mother's home. But when her manager Al Green informed her of Steele's situation and that his show was doomed to failure

unless he secured a star to headline his revue, she wired him that she would cancel her vacation and help him out of a spot. Later she said that when she was starting her career, Larry's wise advice to her helped her tremendously and she felt obligated to come to his aid when he needed her. Laverne's current record hit, "St. Louis Blues" is rated one of the best versions of W. C. Handy's tune ever put on wax and is getting heavy play in the nation's jukeboxes.

Dairy producers can increase their incomes by stepping up output and lowering production costs. Artificial breeding makes it possible for farmers to have the service of high quality bulls.

At left is Miss Yvonne Wynne, of Jamaica, N. ## Kyles Temple Missionary Group Sponsors Services

DURHAM — The A and M Missionary Circle, headed by Mrs. Lillian McKay, Kyles Temple A. M. E. Zion Church ended a week of special services at the church, Sunday night when they held a Mock Annual Conference. Mrs. McKay served as the presiding prelate and was associated by Alexander Barnes.

The meeting was arranged as a real membership was set up in five districts, patterned after the Central North Carolina Conference. Mrs. Elevea Monroe, Mrs. Mary Armstrong, Mrs. Mary Hayes, Mrs. Mabel Powell and Mrs. Virginia Pitchford served as presiding elders respectively of the Lenoir, Sanford, Fayetteville, Raleigh and Durham districts.

The pastors and district officers were required to make reports on all of the different phases of the work and quite a few of them dressed as men and brought in the usual excuses, with the fun being the main reason for their not taking their assessments. There were those who said the drought and the

boil weevil affected their congregations. When all of the presiding elders completed their reports \$890.69 had been collected for the building fund. Mrs. Virginia Pitchford was the winner of a trip to Washington, D. C. by raising the highest sum of any of the presiding elders. She plans to take the trip soon and will be the guest of Mrs. Alexander Barnes, while in the nation's capital.

DURHAM — Bascom Baynes, president of the Home Security Life Insurance Company of Durham, has been elected chairman of North Carolina College's trustee board.

He succeeds R. M. Gantt, Durham lawyer, who resigned recently for health reasons. Baynes formerly served as vice chairman.

The election was held Tuesday afternoon during a regular meeting of the board in NCC's Administration Building.

Trustees attending the session authorized a special resolution of appreciation to be sent Gantt for his many years service to NCC.

Other officers named Tuesday were Welch Harris, High Point, a new appointee by Gov. Hodges, whose term expires in June, 1959, as vice chairman, and Dr. J. M. Hubbard, Sr., Durham, dental secretary. Dr. Hubbard has served as secretary for some 16 years. Named to serve on the Executive Committee with the three officers were M. L. Spears, Sr., Durham, and Dr. W. W. Pearson, Chapel Hill. Dr. Pearson was acting dean of the NCC Graduate School from 1934 to 1956.

Action taken by the board yesterday included approval of a resolution to initiate machinery to construct a new \$500,000 dormitory to accommodate 200 women students.

TEACHERS OF PARTIALLY SEEING CHILDREN  
Conservatively, it can be estimated that there are in the United States at least 30,000 children of public school age whose vision falls between 20-70 and 20-200 in the better eye after correction. This number includes the children with serious progressive eye defects and children with a temporary eye weakness or maladjustment as a result of treatment, operation or convalescence.  
These children need a classroom experience where they can have books printed writers. However, partially seeing in large type and bulletin type.
