# 3 Bodies Found In State

## Murder Suspected As Three Are Found Dead

The bodies of two North Carolina women and one man were found in two different sections of the state during the past week. All three are believed to have been murdered, but there had been no arrests in either case at press time.

In Apex, a small farming town in the eastern section of Tarheelia, the body of Mrs. Aline Elston, mother of three children, was discovered when Wake County Sheriff's Deputies traced a "blood trail" Sunday morning and found the body sprawled on a railroad track.

Corner Marshall W. Bennett said the body of the 31-year-old woman was found by a trainman near the train station. He added that Mrs. Elston's throat had been cut "from ear to ear."

measured for 78 feet and led to where the body was found. A deputy said he had not made any arrests but that several suspects have been questioned and released.

GREENSBORO—Six Negroes, convicted for the second time of trespassing on a now-closed segregated golf course will send their case up the chain of state courts again with it probably winding up before the State Supreme Court.

ATTEND DORMITORY NAMING CEREMONIES — Among those attending and participating in the naming of a new dormitory in honor of Mrs. Rose D. Aggrey at the Morrison Training School, Hoffman, N. ## Mrs. Rose D. Aggrey Honored In Dormitory Naming Ceremony

HOFFMAN—The Rose D. Aggrey Dormitory was dedicated in ceremonies conducted at Morrison Training School, Hoffman, N. C., Sunday afternoon, Dec. 15, at 2:00 p.m. with Hon. H. Clifton Blue, member of the North Carolina House of Representatives, delivering the dedication address. Several hundred people were in attendance for the dedication held in the auditorium of the school building.

In his address Mr. Blue paid tribute to the North Carolina Board of Correction and Training for the splendid program which it conducts on a state-wide basis to provide treatment and rehabilitation for young people with problems. The speaker added that "The prime objectives of our training schools should be, and I am sure is, the building of Christian character in each individual boy and girl enrolled in the five institutions."

I am glad that it is the policy of the Commissioner and the Board of Correction and Training that only high type Christian men and women be selected for

positions of instruction and guidance. The need here for Christian type men and women to guide our boys and girls in North Carolina's five training schools is as great, if not greater, than in any other state institution.

Representative Blue reminded the audience that in recent years the North Carolina General Assembly has been given more liberal consideration to Correction and Training School needs, and that the 1957 General Assembly was keenly aware of the needs and went beyond the recommendations of the Advisory Budget Commission in appropriations.

The speaker closed by saying that "The operation of Correction and Training Schools is not a cheap program. However, treatment, training and rehabilitation for juvenile delinquents is far less expensive than a career of

crime. The new dormitory was named in honor of Mrs. Rose D. Aggrey of Salisbury who serves as chairman of the Advisory Board for

## Church Bonus Money Rules

All purchase slips or receipts presented to your church must come from stores advertising in the CAROLINIAN. Each week carries a date in the Bonus Money period. Purchases eligible must come from the store during the week the ad appears. No purchase slips representing a business should be submitted. All receipts must come from individual purchases. All churches in Raleigh and Wake County are eligible. All purchase slips must bear the name of the store from which the purchase was made. All purchase slips should be submitted in the name of the church; and should be in the office of the CAROLINIAN the Monday following close of Bonus period.

In order that smaller churches may have an equal opportunity to share in the Bonus Money the following regulation: No church group will be awarded 1st Bonus Money consecutively, i.e. should a church receive 1st Bonus Money after the first period, it would have to wait until the third Bonus period to be presented 1st award again. However, this does not mean that second and third awards cannot be sought consecutively. Consequently every church group has the opportunity to secure an award every period. No purchase of over \$500 from any one merchant during a week can be counted. There is a ceiling of \$35 per person a week for grocery purchases. In the event of the same amount of purchases by more than one entry, the award will be divided. Weekly purchase totals should be shown on each packet and total placed on the outside of the envelope enclosing the period's entry along with name and address. Bonus money earners will be announced in the issue following the closing of each period. All entries remain the property of THE CAROLINIAN. All entries to final when the names of the Bonus Money earners are announced in THE CAROLINIAN, and no responsibility is accepted by this newspaper beyond that point.
