Goal Of The UNCF Upped For Drive

NEW YORK — A \$2,250,000 goal has been set for the 1958 United Negro College Fund Campaign it was announced here today by Stanley C. Hope, national campaign chairman. Mr. Hope is president of Esso Standard Oil Company.

"Mounting costs of education and the recent addition of two colleges to Fund membership have made it necessary to increase the goal by a quarter-of-a-million dollars this year," Mr. Hope said. "The two newly admitted colleges, Barbara-Scotia, Concord, N. C. and St. Paul's, Lawrenceville, Va., bring the current membership to 33."

The 1958 campaign scheduled between April 1 and 15, marks the College Fund's 15th annual nationwide appeal. Formally-organized campaigns will be conducted in 120 cities and towns throughout the communities in which the member colleges are located. Where no formal campaigns are organized, appeals are made by letter, TV and radio, news papers and magazines. The support raised provides approximately 10 per cent of the operating costs of the UNCF colleges. It is used by the schools principally to provide scholarships. Contributions are also used to purchase laboratory equipment and library books, to underwrite student health programs and to bring faculty salaries more nearly in line with those of comparable institutions.

All UNCF member schools are privately supported, four-year accredited colleges and universities. The oldest school, Lincoln University was established in 1854.

Since it was organized in 1944 by the colleges themselves, the United Negro College Fund has raised more than \$35,000,000.
