DURHAM GOP MEET ENDS IN TURMOIL

Republican Meet Upset By Negroes

DURHAM — The echoes from the County Convention of the Republican party were heard throughout the nation Saturday after a Negro, Alexander Barnes, was nominated for chairman. The party has been rather inactive for a number of years and members of both races have expressed much discontent over its ineffectiveness and many of them decided to put new blood into the top bracket in the hope that it would create more interest. The party has been chaired by Attorney A. A. McDonald for the past 12 years. He announced early this year that he would not be a candidate

THEIR ONLY PLAYGROUND—In settings like this throughout Harlem, Manhattan's lower east side, and Brooklyn, the germ of juvenile delinquency is born. Al Kuetner, a United Press staff correspondent, tried to find out the real reason for the recent troubles in the New York City school system. He found that the main reason is not race trouble, as many people have claimed, but rather the cluttered, impoverished neighborhoods most of the troublemakers come from. (UNITED PRESS PHOTO).

Church Bonus Money Rules

All purchase slips or receipts presented to your church must come from stores advertising in the CAROLINIAN. Each week carries a date in the Bonus Money period. Purchases eligible must come from the store during the week the "ad" appears. No purchase slips representing a business should be submitted. All receipts must come from individual purchases. All churches in Raleigh and Wake County are eligible. All purchase slips must bear the name of the store from which the purchase was made. All purchase slips should be submitted in the name of the church; and should be in the office of the CAROLINIAN the Monday following close of Bonus period. In order that smaller churches may have an equal opportunity to share in the Bonus Money the following regulation is expedient: No church of over 200 members will be awarded 1st Bonus Money consecutively, i. e. should a church of 200 or more members receive 1st Bonus Money after the first period, it would have to wait until the third Bonus period to be presented 1st award. Again, except where a church has 200 or less members, then it could win top Bonus awards consecutively. However, this does not mean that second and third awards cannot be sought consecutively. Consequently every church group has the opportunity to secure an award every period. No purchase of over \$50 from any one merchant during a week can be counted. There is a ceiling of \$35 per person a week for grocery purchases. In the event of the same amount of purchases by more than one entry, the award will be divided. Weekly purchase totals should be shown on each packet and total placed on the outside of the envelope carrying the period's entry along with name and address. Bonus money earners will be announced in the issue following the closing of each period. All entries remain the property of the CAROLINIAN. All talking is final when the names of the Bonus Money earners are announced in the CAROLINIAN, and no responsibility is accepted by this newspaper beyond that point. No receipts from banks will be considered, except payment on mortgages.

Statesville Man Stabbed To Death Over Whiskey

STATESVILLE — "Look what you've done to me," Carl Reid, 58, cried. He then took a few steps and fell dead, stabbed in the chest in an argument over a \$1.35 pint of whiskey. Sheriff Charlie Rumble said Reid was fatally stabbed Sunday night by Lester Borders, also 48, both of rural Statesville addresses. Rumble said Reid got into an argument with Mrs. Hester Scott, Borders' mother-in-law, over the price of a pint of moonshine whiskey. He said Reid hit the woman over the head with a chair and she cried "save me." Reid and Borders started into the yard to carry on the fight and Reid picked up a butcher knife as they passed through the kitchen, Rumble said. He said Reid stabbed Borders in the chest one time. Death was due to a severed aorta.

Indian Suing Jet Magazine; Says She Was Called Negro

Miss Lois McGee of Hollister in Halifax County has sued Jet Magazine for \$500,000 for allegedly referring to her as a Negro, according to a statement by one of her attorneys. Attorney George Anderson of Raleigh and assistant solicitor of this district, said the magazine, published in Chicago, Illinois, used the picture of the young woman on the cover of December 5, 1957. Anderson said the inside of the magazine carried a story which contended that the young lady was a Negro who had attempted to change her race to Indian. The Wilson Division of the Eastern District U. S. Court received the suit. Anderson and local attorney Ben Tompleton are representing Miss McGee. The attorney said that the story that appeared in the magazine had been rewritten and distorted from a feature story concerning the Indian School in Warren County near the Halifax County line. Miss McGee's picture appeared with the newspaper story in the fall of 1957.
