**Majority Approve UNCF Colleges, Survey Shows**

NEW YORK—A poll of leading Negro citizens in a mid-west city shows them to be overwhelmingly in favor of the United Negro College Fund and its member institutions. The results of the survey were announced by William J. Trent, Jr., College Fund director. The majority indicated their approval because the colleges are needed in the South, not only for social and economic reasons, but to help insure successful integration. Also, because of the mounting rush of applicants to all educational institutions, the Negro colleges, as accredited schools with high academic standing, will be able to serve all qualified students. **Mississippi To Probe NAACP**

JACKSON, Miss (AP) — The Mississippi Senate early last week adopted unanimously a resolution calling for an intensive investigation of the state chapter of the National Association for the Advancement of Colored People.

Condemning the NAACP as not dedicated to the best interest of the Negro or the white race, the resolution, which was sent to the House for concurrence, requests the General Legislative Investigating Committee to make the study "in an effort to determine their

(members and directors) means, methods, associates, affiliations and ultimate objectives in the state.

Meanwhile, State Sen. Stanton Hall of Hattiesburg, chairman of the investigating committee, at-

tempted to attach the Communist tag on the civil rights organization. He said that some of its directors have records of subversive activities.
