

Dungill Concert Company Warmly Received At FSTC

FAYETTEVILLE — People spoke in superlative terms Thursday evening when they had heard the widely-acclaimed Dungill International Concert Company, said by many to be one of America's greatest and most versatile ensembles of concert entertainers.

The Dungills and their seven sons and daughters make up this remarkable company which has a high background of African, Egyptian, and French ancestry. They appeared as one of the regularly-scheduled lyceum numbers at the college.

In their "Around the World with Music" program, the group featured concert selections, semi-classics, and popular numbers. Perhaps some of the more effective numbers were G. Bizet's "The Bull Fight," J. Brahms' "Lullaby," "Boys' Lullaby," an original number, and the spiritual "Sit Down, Elijah." Likewise were other numbers presented with special arrangement and with telling effect.

The group was replete with singers, instrumentalists, and entertainers.

Kappas' Middle Eastern Meeting Held At A & T

GREENSBORO — The annual Middle Eastern Provincial Meeting of the Kappa Alpha Psi Fraternity held recently at A&T College, drew a few more than 100 delegates and an equal number of wives and visiting members.

The two-day meet was hosted by the Greensboro Alumni Chapter, headed by Dr. Steven B. Thomas of Burlington, and Alpha Nu, the undergraduate chapter of A&T, headed by Eddie McGaney. The latter also

served as chairman of the general committee on arrangements.

Dr. William L. Crump, Nashville, Tenn., editor of the fraternity's official publication, The Kappa Journal and director of public relations at Tennessee A&I University, keynoted the confab. He delivered a main address at the annual banquet on Saturday evening.

Miss Ernestine Scarborough Weds Henry Lang Hinton Here

Miss Ernestine Scarborough, daughter of Mr. and Mrs. John D. Alston, and Henry Lang Hinton, Jr., son of Mr. and Mrs. Long Hinton of Raleigh were united in marriage in a very impressive ceremony Easter Sunday at 6 P. M. at the home of Dr. and Mrs. Hardy Davis, pastor of the groom.

Given in marriage by her mother, the bride wore a waltz length dress of silks and lace fashioned with a sabrina neckline outlined in a full skirt and a shoulder length veil attached to a heavy piece. She carried white sweetheart roses and a nose gay on a white Bible.

The bridegroom's father was best man.

After the ceremony the bride's mother entertained at a reception

of the Y. M. C. A. on Bloodworth St. When the couple was received, refreshments included lime ice, white bridal squares, nut and minis.

The tables were beautifully decorated with Easter lilies, white carnations and white gladioli. Out-of-town guests included Mr. and Mrs. Upchurch and children, Mr. Amos Scarborough, grandfather of the bride of Wendell, Mrs. Lillian E. Latney, Miss Yvonne Latney, aunt and cousin of the bridegroom from New York City, Pfc. Ellis N. Yarbrough, East Orange, New Jersey, cousin of the bridegroom, Mr. and Mrs. George Evans, grandfather of the bridegroom, Spring Hope, Mr. and Mrs. William Davis and friends of Spring Hope.

MR. AND MRS. HENRY LANG HINTON

St. Paul's A Capella Choir To Sing On ABC Radio Soon

LAWRENCEVILLE, Va. — Soon to be heard on the radio network of the American Broadcasting Company, the a capella choir of Saint Paul's College will be in New York City on April 17th to pre-record two half-hour concerts.

The national network concert will go on the air under the auspices of the United Negro College Fund, now conducting its annual campaign to raise \$2,250,000 to help its 33 members to meet current operating expenses.

John D. Rockefeller is president of the national council of the UNCF, Dr. Frederick D. Patterson is its president, and William J. Trent Jr., is the executive director. UNCF headquarters are at 22 East 54th Street, New York City.

Saint Paul's a capella choir is under the direction of Roland L. Allison, who has been director of music at the college since 1951. He is a graduate of North Carolina College, Durham, and has done additional study at Harvard University, where he was a member of the Glee Club, New York University, and under private tutors.

Mr. Allison's choir make annual tours covering six or more states, and have attained a national reputation as one of the best undergraduate singing aggregations in the country.

Their current tour, begun on April 13, ends on Sunday, April 20, with an appearance at 5:00 p. m. at St. Philip's Episcopal Church, 213 West 134th Street, New York City.

"One of the best ways for North Carolina farm families to make up for income lost through acreage cuts and other causes, is to grow most of the food they eat," so say Governor Hodges and his Advisory Committee.

"North Carolina farmers spend approximately \$275 million a year for food and could save an estimated \$183 million by producing two-thirds of their food on the farms. Figures for 1954 indicate that 14 per cent of North Carolina farms grew no vegetables, 24 per cent had no chickens, 31 per cent had no cattle for beef."

"To buy all of the food necessary to eat well for one year would cost about \$386 per person. This amounts to \$1,831.25 per year for a family of five, which is equivalent to the gross income from about two acres of tobacco, 12 acres of cotton, 12 acres of peanuts or six milk cows.

Statistics show that at least one person out of every five in North Carolina does not eat daily the food needed for best health. Foods most lacking are milk, fruits and vegetables."

In connection with foods that can be produced on the farm, our Extension Specialists have records to show that for a family of five, the net income from a one-half acre vegetable garden is \$406.40. If you grow tree fruits, pecans, small fruits, grapes and figs, the figure would be considerably larger. Is this a challenge?

I have departed a little from the usual today but here are other interesting statistics. Some 40 per cent of the foods we eat come from fruits and vegetables, either fresh, canned or frozen. In 1956, the baby food industry processed 106,000,000 dozens of packages of baby foods. In that year 4 million babies were born. In 1970, 8 million are expected. This is a small but healthy and well-fed per cent of our population.

These are challenging times and will test the mettle of every responsible citizen in North Carolina. Don't be afraid of changes because they are coming whether we like it or not. We will solve our problems only to the extent that each of us is willing to make our contribution in the home, on the farm and in industry and business.

Fayetteville President Attends Many Confabs

FAYETTEVILLE — Dr. and Mrs. Rudolph Jones have been selected to attend the Fourth Annual Institute for College Presidents and their wives to be held at Harvard University, June 17-25, 1958.

The Institute is sponsored by the Carnegie Corporation of New York and the Association of American Colleges and is conducted by the Harvard Institute for College and University Administrators. Attendance is limited to 36 presidents of four-year institutions who have been appointed since July 1, 1955.

And as to extra-campus professional meetings, Dr. Jones was present for the recent sessions of the Association of Colleges and Secondary Schools at Virginia Union University in Richmond, Virginia; the American Association of Colleges for Teacher Education in Chicago, Illinois; and the Council of CIAA Presidents which convened at Durham.

On Sunday, April 13, the President will be the guest speaker at the vespers services at Shaw University in Raleigh, North Carolina. Currently, his schedule calls for a Men's Day Address on April 27 at the Martin Street

Tan Topics

Baptist Church in Raleigh. Also, commencement addresses are scheduled as follows: May 21—Douglass High School in Warsaw; May 23—Central High School in Whiteville; May 26—Speight High School in Wilkes County; and May 29—Carver High School in Laurel Hill.

With reference to permanent improvements, bids have already been let for an addition to the gymnasium and for a new cafeteria at Newbold, financed by the city of Fayetteville, is in progress.

Test soils now for fall plantings.

Time to Change

to a modern Electric Range

No time like spring to shuck off the old and look to the new! And there's nothing newer or more modern than the automatic timing controls of a safe, clean electric range.

"Flamethrower" cooking is as dated as that sun dial you see above. This spring, change to the modern way—cook electrically. Trim as your Easter outfit, a new electric range with timing controls can cook entire meals while you're away. No need to worry because it's safe and clean as your electric light.

Balmey days are here, so let the automatic timing of electric cooking help you get outdoors and enjoy a bit of spring fever. Your electric dealer has a colorful array of ranges for your selection. He can help you make the change for the better this spring.

REMEMBER . . .
you get all the hot water you'll ever need with a safe, clean electric water heater. Install it anywhere—no flames, no soot, no smoke.

Cook Better...Electrically!
