**Church Bonus Money Rules**

All purchase slips or receipts presented to your church must come from the advertising in the CAROLINIAN.

Each week carries a date in the Bonus Money period. Purchases eligible must come from the store during the week the "ad" appears.

No purchase slips representing a business should be submitted. All receipts must come from individual purchases.

All churches in Raleigh and Wake County are eligible.

All purchase slips must bear the name of the store from which the purchase was made.

All purchase slips should be submitted in the name of the church; and should be in the office of the CAROLINIAN the Monday following close of business.

In order that smaller churches may have an equal opportunity to share in the Bonus Money the following regulation is expedient. No church of over 200 members will be awarded 1st Bonus Money consecutively. In a church of 200 or more members receive 1st Bonus Money after the first period it would have to wait until the third Bonus period to be presented 1st award again, except where a church has 200 or less members, then it could win top Bonus awards consecutively. However, this does not mean that second and third awards cannot be sought consecutively. Consequently every church group has the opportunity to secure an award every period.

No purchase of over \$50 from any one merchant during a week can be counted.

There is a ceiling of \$75 per person a week for grocery purchases.

In the event of the same amount of purchases by more than one entry, the award will be divided.

Weekly purchase totals should be shown on each packet and total placed on the outside of the envelope carrying the period's entry with name and address.

Bonus money earners will be announced in the issue following the closing of each period.

All entries remain the property of THE CAROLINIAN.

All falling is final when the names of the Bonus Money earners are announced in THE CAROLINIAN, and no responsibility is accepted by this news paper beyond that point.

No receipts from banks will be considered, except when on mortgages.
