

Memorial Services Held At Bennett For The Late Mrs. Annie Merner Pfeiffer

GREENSBORO — Mrs. Annie Merner Pfeiffer, for whom memorial services were held at Bennett College Sunday in the chapel which bears her name, was described as a woman who not only gave money, but who gave that which money cannot buy — the warm impulses of the human heart.

Dr. James F. Brawley, president of Clark College, Atlanta, Georgia, so declared as he told the audience that "in giving herself with her gifts, Mrs. Pfeiffer still lives in the creative plan of God."

woman interested in Christian education at its best, Dr. Brawley said: "She opened many doors on this campus, doors to classrooms, to laboratories, to dormitories and to this chapel, but in addition to these physical doors, she opened many others."

"She opened the door of life for Bennett College students and she opened the doors of goodness, of choice, of good works, of understanding, hope and faith and of companionship with God."
