## Sunday School Lesson

BY REV. CLYDE B. WALTON  
Pastor St. Amanda Baptist Church and McCullers Baptist Church

**NEW MEN IN CHRIST**  
"Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new." II Corinthians 5:17.

God's purpose in history and in the world involves two things: (1) the establishment of a new center of spiritual relationships in which things on earth and things in heaven are brought together; (2) it involves the establishment of a relationship between man and Jesus Christ, the new center of spiritual unity.

With reference to the first point, the new center was constituted by God and Jesus Christ. By virtue of what Jesus Christ was himself as the God-man by the life which He lived among men, by His death on the cross for human sin, by His glorious resurrection and His ascension to God's right hand, He became the center of a new order of reality. This new order was revealed to St. Paul, who regarded himself as a steward, and which is proclaimed to mankind in the Gospel.

Secondly, by becoming united to Christ man is lifted out of his self-centeredness, his hostility towards God. His hostility towards God ceases. Man is by nature a sinner, guilty, condemned, lost, and but for the atonement made by Christ, helpless and hopeless.

Acts 4:12 tells us "neither is there salvation in any other; for there is none other under the heaven given among men, whereby we must be saved." In Philimon 29, 10, it is found that words, "Wherefore God also hath highly exalted him, and given him a name which is above every name, and that at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father."

To be in Christ means a total spiritual change. Those who are in Christ have been given not only a new status but are related to a new source of strength. It is theirs to allow themselves to be possessed by Christ, to strive to conform their lives to Christ, to endeavor to learn Christ. By this total renewal in Christ, men become people to whom a new principle of life has been implanted, and the direction of whose life is different from the mass of mankind and whose outlook has been re-orientated towards God.

Nicodemus, a Pharisee, who was a ruler of the Jews, came to Jesus by night to question Him about this new divine order. You know the story concerning how Nicodemus could not understand how he could be born again when he was old. A Pharisee, who had been trained by the Jewish law and customs, had so much to be born or, a heart full of hate, pride, and racial prejudice, Nicodemus like many of us in America, needed Jesus Christ to help him change his hate to love, pride to humbleness, and his racial prejudice to brotherhood.

In this total spiritual change was included all facets of inner change known as repentance, conversion, and regeneration which open a path for our justification. Not by works, not by performing religious duties, but justified as a free gift of God through the blood of Jesus which brings confession, good works, and peace with God and man.
