

St. Aug. Defeats Del. State, 26-0 For Sixth Victory

Maryland Hawks Dampen Shaw's Homecoming, 30-8

Bears Suffer 3rd Loss As Hawks Run Rampant

A saddened homecoming crowd of 6,000 persons watched Saturday afternoon as the Shaw University Bears were defeated by the Hawks of Maryland State College, Princess Ann, Md., by a score of 30-8. The game was played at 4 p. m. at Chavis Park, following a gala homecoming parade.

Maryland State scored in the first quarter when right halfback Miller capped a 35-yard drive. Gray scored the extra points to make it 8-0.

Gray also scored the Hawks' second TD on a 50-yard pass from Joe Robinson. Miller scored the

extra points this time to make it 16-0 at halftime.

The opening kickoff was received by Miller in the second half and he raced 80 yards for a touchdown. Robinson scored the extra points to make the score 24-0.

The Hawks scored again in the final period when Gray scored from nine yards out to cap a 54-yard drive to make it 30-0.

The Shaw Bears got their only score in the fourth quarter when quarterback Calvin McDowell cut off right tackle to score from three yards out. Hammonds scored the extra points.

This was Shaw's third defeat.

CLOSE, BUT NO GOOD—Leaping skyward for a pass in the end zone, San Francisco end R. C. Owens clutches the ball to his chest—only to drop it on the way down—in the game against the Lions at Detroit, Michigan recently. Covering on the play is Detroit's Jack Christiansen (24). Detroit won the game, 35-21. (UPI TELEPHOTO).

Falcons Close Season With Impressive Wins

The St. Augustine's College Falcons rolled up a 26-0 win over Delaware State College's Hornets at Chavis Park last Saturday afternoon. The game got underway at 1 p. m. This was the Falcons sixth straight after losing their two opening games to North Carolina College, Durham, and Shaw University, Raleigh, respectively.

The game ended St. Aug's football season.

Plunging over for the Falcons' first TD was Marion Beason. His run capped a long drive in the

first period. James Bridges passed for two extra points.

Lester Speese broke loose and raced 75 yards for a second Falcon score in the opening period, also.

James Piggie is responsible for a third St. Augustine's score as he received a pass of 40 yards in the second quarter.

A five-yard plunge by Donald Thompson wound up the scoring.

The Falcons gained 319 yards by rushing to Delaware State's 38. St. Augustine's had seven first downs to the Hornets' 3 first downs.

NCC Changes A & T Game Site To O'Kelly Field On Campus

DURHAM — A student's petition of some 1,000 names filed through "proper channels" has resulted in a change of the North Carolina College vs. A and T football game on Thanksgiving Day from Durham Athletic Park to the Eagles' O'Kelly Field. Kickoff time is 1:30 p. m.

Dr. I. G. Newton, director of athletics at NCC, announced the change Thursday night. "I am informed that the college's Executive Committee voted to bring the game back to the campus," Newton said.

Members of the college's Executive Committee, whose chairman is NCC president Alton Elder, are Dr. W. H. Brown, dean of the graduate school; Dr. G. T. Kyle, dean of the undergraduate school; Dr. J. H. Taylor, director of the Summer School; Dr. A. L. Turner, dean of the Law School; and Mrs. Frances M. Earleson, registrar, who also serves as secretary.

The contest was originally slated for O'Kelly Field. On Nov. 13, however, Dr. Newton advised that a shift had been made to accommodate a larger number of fans. O'Kelly Field's stands accommodate 5,000. Durham Athletic Park nor-

mally accommodates around 5,000, but extra bleachers can swell that number to around 10,000.

Newton and athletic administrators William Jones, business manager, and H. A. Hudson, assistant athletic business manager, said Thursday "Steps are being taken to accommodate comfortably the thousands of fans who are expected to see the game."

Student leaders, who have valuable concession rights at O'Kelly Field, and the football team, which hasn't lost a contest on O'Kelly Field since 1953, objected to the shift in game sites as soon as it was made known.

Newton, who was credited with the decision to change, was hanged in effigy by 85 NCC men on November 15. The effigy was later impaled in front of the cafeteria all day on Nov. 16 and burned amidst clamors for a return to O'Kelly Field that night. Throughout demonstrations were orderly.

Jerome H. Dudley, president of the NCC Student Government Association, wrote Newton asking for a clarification of the situation after the effigy incident. He denied Student Government participation in the effigy episode.

Jeter Nears Thousand-Yard Mark As CIAA's Offensive Leader; Va. State Team Offensive Leader For 3rd Week

DURHAM (CIAA News Service)—Virginia State College's triple-threat quarterback, DeWayne Jeter, continues to be the CIAA's total offense leader for the fourth consecutive week today according to statistics released by the CIAA News Service. The Trojans also continue as the loop's team offensive leader for the third straight week.

Jeter has amassed a total of 908 yards in 8 games. He gained 157 yards rushing and 751 yards passing in 121 plays. The Virginia State junior signal-caller needs only 92 yards before he joins the select 1,000 yard group.

Bill Lawson's Trojans are averaging 304.1 per game in 8 tilt-

ings. Clinton Anderson's

gridders have allowed only 1271 yards this season.

Heading the individual scorers for the eighth straight week of play is Joe Burgs of Elizabeth City. He has registered 12 touchdowns and 3 conversions for a total of 78 points.

Virginia State's George Moody retained his rushing lead for the third successive week, although he was out of action last week with an ankle injury. The Trojan half-back churned out 474 yards on 82 rushes in 8 games for an average of 79.0. Morgan State's Jack Dennis continued his dominance as the loop's top passer for the sixth straight week. He has connected on 27 of 48 passes thrown for a 56.3 per cent accuracy. In all, the Bears quarterback's tosses covered 503 yards, 4 of them scoring markers.

North Carolina College's Ike Gatling still tops the conference with the most TD strikes thrown. The Eagle quarterback has tossed 5 scoring passes.

Shaw's Glen Knight overlooked Elizabeth City's Billy Carr as the CIAA's leading pass receiver. Knight caught 4 passes last weekend to give him a total of 21 catches for the season. His receptions have covered a total of 367 yards, two of them for scoring tallies.

North Carolina College's Reggie Pryor continues as the conference's top booter with an average of 42.0 per punt. The Eagle punter has punted 18 times for 759 yards.

St. Augustine's College this week surged forth as the conference's top rushing club. The Falcons, unranked last week, piled up a total of 1711 yards in 7 games for an average of 244.4 per outing.

Morgan State regained its hold on the team passing lead, completing 32 of 63 passes for a 50 percent accuracy. In 7 games, Eddie Hurt's Bears have racked up a total of 599 yards for an average of 86 yards per contest and have thrown 4 TD tosses.

Prairie View Wildcats Oppose FAMU Rattlers In Big Classic

TALLAHASSEE, Fla.—The unbeaten Prairie View Wildcats have named opponents for the Fla. A&M University Rattlers in the 26th annual Orange Blossom Classic.

The classic, largest Negro grid-iron attraction and ranked fifth of all bowl games in the nation in attendance, will be played under the arch lights of the famed and spacious Orange Bowl Stadium in Miami Saturday night, Dec. 13, 1958.

An estimated crowd of nearly 50,000 is expected to see these two grid powers clash for the National Negro Collegiate Football Championship. The Rattlers are the current national champions.

The announcement of Prairie

View's selection was made in a joint statement by university president George W. Gore, Jr. and athletic director and head football coach A. S. (Jake) Gaither.

The Rattlers, defending national Negro champions, have won six consecutive games during the '58 campaign to extend their winning streak to 15 straight over a two-year period. They meet strong once-beaten Southern University in Baton Rouge, La., Saturday night (November 22). Their final game prior to the Classic will be against Texas Southern University of Houston in Tallahassee, Nov. 29.

Prairie View, a perennial south-west and national power, has only a 14-14 opening game tie with Jackson (Miss.) State to mar an otherwise unblemished record of six wins and one tie. The Panthers have two games remaining. They meet Wiley College this Saturday (November 22) in Marshall, hometown of the Wildcats, and collide with Southern on November 29 in Houston.

Negotiations were completed between officials of Florida A&M and Prairie View a few moments ago, President Gore and Gaither said in a statement made to university

press information officials. The statement also included the following: "Florida A&M always seeks to select an Orange Blossom Classic opponent that has the best possible record at the time the selection is made. Prairie View's record to date of six wins and one tie stamps them as the most worthy Orange Blossom Classic opponent. In 25 previous Classic games A&M has won only 13, while dropping 11. One game has ended in a tie. These figures certainly indicate that A&M selects only top opponents."

The December 13 meeting between Florida A&M and Prairie View will be the fifth gridiron clash between the two powers and the third Orange Blossom Classic date for the Panthers.

In their only Miami appearance the Texans won a 33-27 thriller from the Rattlers in 1958. They gridders 6-0 in the 1955 Classic played in Jacksonville.

A&M edged Prairie View 10-7 in 1952 in a game played in FSU's Donk Campbell Stadium that still has fans talking. Bouncing back from the 1953 Classic defeat at the hands of the Panthers, the Rattlers journeyed to Texas to trounce them 19-8.

press information officials. The statement also included the following: "Florida A&M always seeks to select an Orange Blossom Classic opponent that has the best possible record at the time the selection is made. Prairie View's record to date of six wins and one tie stamps them as the most worthy Orange Blossom Classic opponent. In 25 previous Classic games A&M has won only 13, while dropping 11. One game has ended in a tie. These figures certainly indicate that A&M selects only top opponents."

Al Vann "Kicked" Off: Coach Ousts Tan Cager

TOLEDO, Ohio (ANP) — Al Vann, co-captain of the University of Toledo basketball team last season and considered a mainstay for the coming campaign, was abruptly kicked off the squad last week for what his coach described as disciplinary reasons.

The action so incensed some members of the university student body that within 24 hours after the nation was announced basketball coach Eddie Melvin was hanged in effigy.

Vann, a senior from Brooklyn, N. Y., said his ouster surprised him. He said the coach gave generalities for the reasons and that he (Vann) could not accept them unless they were more specific.

"But it appeared last week that the action was irrevocable, Melvin declared.

"I tried to do it, but we have a good chance of winning this year, and I felt that Vann's attitude was detrimental to the team," Melvin said. "I had discussed the importance of keeping training rules with Vann as earnestly as I knew how on previous occasions, but apparently was unable to make an impression on him."

"He was co-captain last season, and could have been one this season, too."

Melvin's job is at stake this season. It is generally understood that unless he produces a winner he might be out as the Rockets' cage coach.

Observers said that his drastic decision to oust Vann probably was aimed at halting any influence the player might

have with two other tan members of the team, Willie Newton and Barney Cabey, both New Yorkers.

Vann was an outstanding defensive player and was second highest scorer on TU's team with an 8.7 average as a sophomore and a 14.2 average as a junior.

He said last week that he planned to remain in school. He is majoring in business administration.

Knicks' Tan Players Aid Title Hopes

(Editor's Note: This is another in the series of stories on the prospects of National and their prospects for the current season.)

CHICAGO (ANP) — The current professional basketball campaign is in its infant stages, but it appears that the New York Knickerbockers have come up with its strongest team in several seasons.

The Knicks so far are leading the vaunted Boston Celtics in the eastern division and (at this writing) are the only team in both divisions which hasn't lost more than one game.

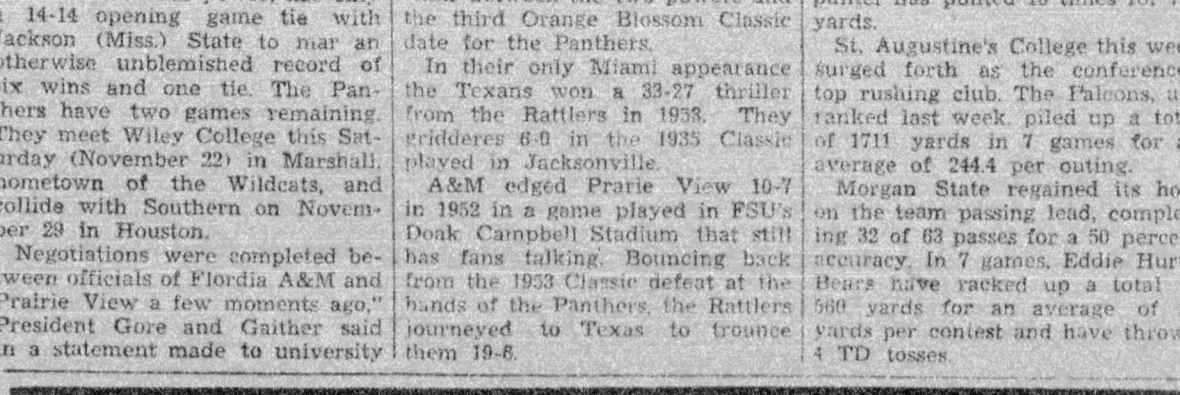

The Knicks, who finished out of the money in 1957-58, nevertheless were the highest scoring team in NBA history, averaging 112.1 points a game. The team scored at the rate of 2.4 points per minute. They made 100 or more points for 37 consecutive games, breaking the old mark of 12 held by the Celtics.

Two of the key performers in this scoring binge were Willie Naulls and Ray Felix, the only tan members of the Madison Square Garden cage representatives.

But for missing four games late season because of illness, Naulls might have led the Knicks' scoring. He finished with 1,228 points, 114 points behind the team's highest scorer, and averaged 18.1 points a game. Naulls led the Knicks in rebounding with 799.

This is his third season with the New York five. The 24-year-old former UCLA star was drafted in 1956 by the St. Louis Hawks. After 19 games, he was traded to the Knicks despite the workings of Louis.

With 879 points for 12.2 average, he was the team's fifth highest scorer for 1957-58 and had the best field goal percentage on the club, .442.

Colts' Defense Stops Bears; Carolina, Galimore In Action

CHICAGO (ANP)—Neither Willie Galimore, former Florida A&M ace, nor J. C. Caroline, University of Illinois sensation a few years ago, made the Chicago Bears starting lineup in last Sunday's rough, tough pro football battle in Wrigley Field. The Baltimore Colts, fighting to protect their Western Division lead, stopped the Bears cold, 17-0, before a capacity crowd of 48,694.

Galimore, noted for his broken field running, was used only in spots, and Caroline, although used both on offense and defense, saw action as a substitute.

Galimore, once a sensation with the Bears when he played regularly, carried 10 times but gained only 22. However, he put the Haltsmen in scoring position in the second quarter when he returned a punt 66 yards to the Colts 33. There the rally fizzled on a fumble by Merri Douglas, substiting for the injured Rick Casares.

Lenny Moore figured heavily in the Colts' victory. George Shaw, the Colts' quarterback, hit him twice, once in Baltimore's first touchdown strike.

Actually, the Colts won an air tight defense, which shut out the Bears for the first time since 1949. Meanwhile, Moore and Alan Ameche, former Badger star, were cutting chunks in the Chicagoans' line.

It had been anticipated that the Bears might win because of the sidelining of Johnny Unitas, the Colts' first string quarterback. As it turned out, however, Shaw, was in rare form, connecting with 10 of 23 passes, nine in succession, for a total of 181 yards.

The Colts scored both its touchdowns in the second period, then added a field goal in the fourth. Moore figured in both the touchdowns. On the second he was attempting to snare a long lateral from Shaw when Bears linebacker, Wayne Harston, interfered. The officials then ordered the ball placed on the Bears four-yard line, from where Ameche scored.

The game had been sold out days in advance. However, scalpers did lively business at the gates. One scalper, Abe Nieder, 57, was arrested after he was nearly mobbed for selling phony tickets to a group of fans anxious to see the game.
