FSTC Serves As Test Center For National Teacher Exams

FAYETTEVILLE — Prospective teachers in this area will have an opportunity to take the National Teacher Examinations on February 7, 1959, according to Dr. Lafayette Parker, Dean at Fayetteville State Teachers College, Fayetteville, who will supervise the administration of the tests.

Application Blanks and a Bulletin of Information describing registration procedures and containing sample test questions may be obtained from Dr. Parker or directly from the National Teacher Ex-

aminations, Educational Testing Service, 20 Nassau Street, Princeton, New Jersey. Applications must be mailed so as to be received at the Princeton Office not later than January 9, 1959, Dr. Parker advised.

Scores on the National Teacher Examinations are used by a large number of school systems and teacher education institutions throughout the country as an aid in evaluating such of the qualifications of prospective teachers as are measured by the tests, Dr. Parker said. The scores may also be useful to examinees who are interested in discovering their own strengths and weaknesses with respect to such teacher qualifications as are measured by the tests, he added.

At the one-day testing session a candidate may take the Common

STATION'S VISIT RALEIGH
Mr. and Mrs. Ike Y. Station of Scotland Neck were recent visitors in Raleigh, Soror Station, a graduate of Miners Teachers College in Washington, D. C. is an elementary teacher in Scotland Neck.

The Tarboro Branch of the National Association of College Women presented Soror Adria Logan in an address recently. Soror Logan chose as her topic, "The Position of Women in the General Level of Culture."

Soror Logan began her discussion by quoting Beaufort who said: "The future of society is in the hands of mothers. If the world was lost through woman, she alone can save it."

Emphasis was placed on Holland's poem, which in substance says: and literally means—
A time like this demands—
Great hearts, true faith and ready hands—
Women, whom the lust of office does not kill
Women, whom the spoils of office cannot buy
Women who possess opinion and a will
Women who will not lie

Keep in mind that the word MAN in many instances, WOMEN in this day of stress and strain most emulate the true virtues of women in every respect in mannerism, attitudes and deeds. The highest purpose of intellectual cultivation is to give a man a perfect knowledge and mastery of his inner self. Cultivation to the mind is as necessary as food to the body.

Mrs. Ruth Lawrence is the president of the Tarboro Branch of the National Association of College Women.
