Looking on as she proceeds with work are: Leonard L. White, associate professor of art; Walter Harris, Ayden, and William Davis, Charlotte, both students in art. Miss Bell will present a one-man show at the college soon.

1959 Fertilizer Recommendations Ready To Be Released To Public

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

small businessmen by the Fed- | formalities of getting the loan. eral Trade Commission against a loan racket.

The operation of this new hoax came some time ago to the attention of the field offices of the Small Business Administration ported in detail

to George Burger, Washington vice presitional Federation of Independent Busi-i ness when he recently made a field trip to visit all the c.W. Harden

SBA offices. In operation, the scheme is somewhat as follows. Sharp operators ascertain in a given nessmen are seeking a loan for operating capital, for expansion, Business Administration. or for some other purpose. For the hoax player's purposes, it is better if the businessman has so far been unsuccessful in se-

The gyp artist then makes it a with a private lending agency. point to inspect the business nises in such a way he is asked the purpose of his visit.

He then reveals that he is an inspector for a group of philanthropic organizations with ample money to loan and whose philosophy is that small business must be helped, and he is sure that a lean could be arranged for the business, usually naming a figure of about twice what the businessman is secking.

* * * Of course, there is a long and plausible explanation that a contract must be signed, and that I

A warning has been issued to I vance in order to complete the

Usually, too late, and after nothing has happened on securing a loan, the victimized businessman finds that the contract he signed, states in very fine print, that the "con" man, in exchange for the advance fee in cash, has only agreed to recommend to legitimate lending agencies that the businessman is a fine fellow, has a nice business, and should get a loan.

Obviously nothing but a racket.

Small businessmen are advised to shy away from any stranger who wants any advance fees for securing a loan.

As a matter of fact, it is rec-

ommended that small businessmen seeking a loan first try their bank. If they cannot secure the aid needed from this course, community which small busi-nessmen are seeking a loan for nearest field office of the Small

This agency of the Federal government will try to work out any possible solution for the individual problem, either by making a direct loan with govern-

As a matter of fact, the SBA welcomes inquiries from 'small business firms on financing problems and is prepared to exhaustively study each case in an attempt to work out a solution.

fact, in many cases, these studies have been so complete, that they have revealed valid reasons for a loan that had previously been overlooked by a bank loan officer with the result the private bank has gone ahead and made the loan.

But the official warning is, "Don't pay anybody an advance this calls for a modest fee in ad- | fee to get a business loan."
