

"Person To Person" To Visit Fidel Castro Friday

Cuban Chief, Son Guests Of Edw. Murrow

NEW YORK (ANP) — Cuban rebel leader Fidel Castro and his son will be "at home" in their apartment in the Hilton hotel in Havana, Friday, Feb. 6, when Edward E. Murrow calls on them "Person to Person" (CBS TV Network, 10:30 - 11:00 p. m. EST).

This will mark the first time that Castro has talked directly to the American people on a live television program.

Castro, a cigar chain-smoker (20 or more a day) and a collector of timepieces (he wears two wrist watches on the same hand), accepted the "Person to Person" invitation after a series of long-distance telephone conversations with Edward E. Murrow and the show's producer.

Livingstone College Sets Its Founder's Day For Feb. 10

SALISBURY — The 105th birthday anniversary of the late Dr. Joseph Charles Price, founder and first president of Livingstone College, will be observed on Tuesday, February 10, when the college pays its annual tribute in its 64th celebration.

All of the regular college activities will be suspended on that day, traditionally known as "Founder's Day," and special services will be held at the Hood Seminary Chapel at 10:30 a. m. and in the afternoon at 2:00 p. m. at the Price Junior-Senior High School Auditorium.

The morning program, under the auspices of the Student Council, will feature orations by faculty and student representatives.

In addition to the literary and musical selections, dramatic presentations will be made to President S. E. Duncan on behalf of the college faculty and staff, student body, and Hood Theological Seminary.

Following the morning program, the members of the senior class will lead the procession to the mausoleum of Dr. Price where, with ceremony, a wreath will be placed on the tomb. Henry A. Moses, president of the Student Council, in company with Mrs. Josephine Price Sherrell, daughter of the founder, will preside and render eulogium to the founder.

The afternoon session will feature the financial reports coming by about one-fourth. This Montgomery County Home Demonstration Club woman is now planning additional ways to save.

According to Mrs. Jean M. Hubbard, assistant home economics agent, plans are already under way for their early spring garden. Then the food bill will be further cut when the garden produces.

will long be remembered by the Hassel O'Bryant family of Rockingham County.

When the children overheard their parents discussing their coming anniversary, they immediately started planning a party. An aunt baked their favorite strawberry cake; but, other preparations were done entirely by the children.

The parents returned from a trip to town on "the day to find the cake and a note from each child saying, "I love you." Miss Martha Edmondson, assistant home economics agent, said the occasion will always be a cherished memory for the entire family to share.

For this is the love of God, that we keep His commandments: and His commandments are not grievous. —(1 John 5:3)

We may profess with words and gestures that we love God, and yet by our actions which violate even one of His commandments, be a living denial of our protestations. Loving God and obeying Him is no part-time, half-hearted thing.
