So look forward to sleep at night and freedom from asthma spasms... get Primatene, at any drugstore. Only 95¢—money-back-guarantee. © 1959, Whitwell Pharmaceutical Company

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery. In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place. And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months! In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing. All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body. This new healing substance is offered in *suppository or ointment form*, called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug counters. Satisfaction guaranteed or money refunded. *Reg. U. S. Pat. Off.

Mays, Bates Tell Elks "Continue To Educate"

BY J. B. HARRIS
 PHILADELPHIA, Pa. — The Mid-winter Conference and Educational Banquet of the Improved Benevolent Protective Order of Elks of the World (IBPOEW) closed here January 31 following a three-day session at the O. V. Catto Lodge home, 16th and Fitzwater Streets, and an elaborate 86-plate banquet at the Broadwood Hotel on Friday night. The business sessions were opened by Grand Exalted Ruler Dr. Robert H. Johnson and Grand Daughter Ruler Mrs. Nettie Carter Jackson on Thursday. There were seventy to eighty members of each group (male and female lodges) in attendance.

Due to illness Dr. Johnson was not able to attend the Education Night Program directed by Education Commissioner George W. Lee and his assistant, Dr. Annabelle Reid, Grand Leading Knight Bertram V. Gregory presided as vice grand exalted ruler for Johnson. Other key representatives included, Hobson E. Reynolds, Civil Liberties head; Herbert E. Jones, Grand Organizer; Judge Perry B. Jackson, Grand Treasurer; the Rev. W. F. Battle, Grand Lecturer; W. T. Grimes, Grand Music Director; George R. W. H. Creigler, Grand Bandmaster, who courageously made his report despite illness.

Grand Lieut. General Charles H. Donaway made an impassioned plea for greater attention to the Antlered Guard Department (marching units) which he said was the "show-case" of Elksdom. Creigler urged unified training of all bands participating in grand lodge parades.

"The Grand" Johnson reported the order in generally good condition with progress being noted in the program of the Youth Department seeking to "rehabilitate our confused youth to save future generations from chaos." He called, also for greater support to the health, veterans and athletic departments of IBPOEW. On the legal side, Johnson said, "we have defended the IBPOEW again against the litigation of a few disgruntled brothers."

Grand Daughter Ruler Jackson and Reynolds reported that departments had been active in lobbying against Senate Rule 22 which was amended slightly at the beginning of the present session of Congress. Members were asked to continue to write their congressmen in protest against proposed (or present) legislation against the best interest of minority-group citizens.

Shrine Commissioner Charles F. McClane announced the 100th anniversary celebration of the John Brown Insurrection would be begun as a year long project on July 12th under the joint sponsorship of the states of Maryland, West Virginia, and the Interior Department of the U. S. Government, with the Elks cooperating. This will soon be heralded as an epochal event in the history of America.

McClane also announced the annual Elks July 4th John Brown Farm celebration, which will be held at Harpers Ferry, W. Va. just prior to the beginning of the John Brown Centennial Celebration. MAYS ASKS \$10 MILLION ENDOWMENT
 Morehouse College proxy Dr. Benjamin F. Mays was the recipient of an award from the Elks in his acceptance speech urged the

IBPOEW to establish a \$10 million scholarship fund which should earn \$400,000 annually to aid at least one hundred needy, worthy students annually, in order to "continue to invest in the education of our youths." In praising Judge W. C. Houston, veteran "father of the 27-year-old education department," Dr. Mays said, "I think only the people who haven't done a good job here on earth are the ones who are afraid to die."
 Commissioner Lee said the Education division of IBPOEW has grossed a million and a half dollars, awarded 900 scholarships of \$1000 each and has 48 students receiving aid each year.
 Contrasting the Negro with the Jew, Mays declared: "The Jew instead of having a good time; has improved his mind." They have a certain literary expectancy of their children which they must attain, he stated, adding that a college test showed that of 600 applications the Jews led the Gentiles and Negroes overwhelmingly.
 "COURAGEOUS DAISY"

For the third time in twelve months Mrs. L. C. (Angel of Little Rock Daisy) Bates spoke to an Elks audience. This time she told the 300 diners at the Broadwood Hotel "We soon forget a goal - after having meetings and making resolutions - because we are more interested in having a good time and a Cadillac car, along with the bridge parties and ultra-modern homes than in serving our people." On the need of voting, Mrs. Bates declared: "If we had - in the South - every eligible Negro registered and voting, Gov. Orval Faubus, Gov. Lindsey Almond and Gov. John Patterson would not be doing the things to us they are now doing."
 After narrating the hair-raising experiences of the children who broke the color bar at Central High School in Little Rock, Ark., heroine Bates asked: "How long, how long, will the people of America allow the nation to remain half-slave and half-free?"

Mays Adopts Son

SAN FRANCISCO (APF) — Willie Mays and his wife Marguerite have adopted a baby boy, it was reported here. The announcement was made as the Mays prepared to file petition for formal adoption in Superior Court. The child was only five days old when adopted. His former parents gave him to the Mays because they could not provide for him. Mrs. Mays is very attentive to the youngster. She told her at-

orney, Terry Francois, "the young-ster kept me up all night." The adoption proceedings will become final under California law six months after filing. The Mays have no other children.
