

EARLY BIRDS SIGN UP — Misses Ernestine Reddick, of Kinston, (extreme left) and Barbara Washington, of Yonges Island, S. C. (extreme right) pay their Student Senate and yearbook fees during freshman orientation week at Bennett College, Greensboro. Writing receipts are, left to right, Misses Jean Franklin, of Atlanta, Ga., 1962 editor, and Carole Collins, of Montclair, N. J., both seniors, while Miss Dolores Polk, of Newark, N. J., junior class president looks on.

Bennett Sponsors Test Series

GREENSBORO — President Wila B. Player announced this week that Bennett College will be one of the 29 colleges participating in the testing of 12,000 to 15,000 scholarship and admission candidates from more than 1,500 high schools distributed throughout the United States and the Virgin Islands.

Bennett will cooperate in administering the Cooperative Intercollegiate Examination Program between November 26 and December 8, which will be given in 280 test centers across the nation during this period.

The Cooperative Intercollegiate Examination Program is an educational service of the United Negro College Fund, Inc. The examination is open to qualified high school seniors and to a limited number of high school juniors and sophomores of exceptional ability assisted by three majors, in command. The troopers themselves are under direct command of the captain in charge of one of the six "troop areas" located in strategic North Carolina cities. Persons who wish to join the Patrol must apply at one of these six stations.

At Chapel Hill, student patrolmen are trained in motor vehicle laws, first-aid, auto maintenance, investigation, traffic direction, accident investigation, self-defense, public relations, firearms and pursuit driving.

The Patrol began operations in July, 1958, with a force of 37 troopers. Since then, it has expanded to its present size, won many awards and citations and is rated among the best of the nation's state law enforcement agencies.

Why "Good-Time Charlie" Suffers Uneasy Bladder

Unwise eating or drinking may be a source of mild, but annoying bladder irritations—making you feel restless, tense, and uncomfortable. And if restlessness, with nagging backache, headache or muscular aches and pains due to over-exertion, strain or emotional upset, are adding to your misery—don't wait—try Doan's Pills. Doan's Pills act 3 ways for speedy relief. 1—They have a soothing effect on bladder irritations. 2—A fast pain-relieving action on nagging backache, headache, muscular aches and pains. 3—A wonderfully mild diuretic action thru the kidneys, leading to increase the output of the 15 miles of kidney tubes. So, get the same happy relief millions have enjoyed for over 40 years. For convenience, buy the large size. Get Doan's Pills today!

ENROLLMENT UP AT ECST

Student enrollment at Elizabeth City State Teachers College, exceeding 870 this fall, represents a 5 percent increase over the 827 enrolled last year according to T. E. Jones, Registrar. This is the smallest increase at the institution for the past four years during which there has been an overall increase of 127 percent.

CORE Slates Mass Pickets

NEW YORK — Saturday, October 6, has been designated by CORE as Desegregate-Howard Johnson's Day. It will be observed by mass picket demonstrations at Howard Johnson restaurants in 15 states, and at the corporation's national headquarters at Wollaston, Mass. The pickets will urge desegregation of southern Howard Johnson restaurants and motor lodges, insertion of non-discrimination clauses in all franchisees since many Howard Johnson's are franchised rather than owned outright, and dropping of all charges against those arrested during CORE's Freedom Highways project this August. Pickets to be carried by the pickets will say: "End segregation in Southern Howard Johnson's" "Serve 25 Flavors to Negroes, Also," and "Howard Johnson's Serves 30-Day Carolina Terms." The latter slogan refers to the sentences received by Freedom Highways participants for seeking service at Howard Johnson's restaurants in North Carolina. The number of arrests during the project totaled 98. Ten of the 20 Howard Johnson restaurants in North Carolina still refuse to serve Negroes. However, in Florida, through negotiations, CORE succeeded in opening all 67 Howard Johnson restaurants.

where there's **NO SMOKE**

there's **NO fire**

And that is the unique advantage of the flameless electric heat pump.

Since there is no flame, there are no products of combustion such as moisture, soot, grime or smoke. The electric heat pump consumes no oxygen thus insuring a clean, constant, healthful supply of filtered air. It is the truly modern way to "climatize" your home the year 'round.

Using no fuel except electricity, the same unit cools you pleasantly in summer—keeps you comfortably warm in winter. If you are wondering how the electric heat pump compares in operating cost, just ask your CP&L representative to show you case histories and actual operating records. In this way, you can prove to yourself that this unique cooling and heating system costs no more than competitive systems.

Remember—only flameless electrically provides matchless Medallion Living.

Odd Twists In The News

COMPILED BY ANP
NO TIME FOR THE LAW
NEWARK, England — An ice cream vendor was fined \$8.40 for speeding despite his claim that it was an emergency.

Fred Hudson said the refrigerator in his ice cream truck broke down and he was hurrying back to the dairy before his wares melted. **FINDS OUT HOW HE IS FEELING**
ASHEVILLE, N. C. — It was a neat trick and it worked out just fine for Gus Kooles, a patient in a hospital here.

Because Kooles had spent such an uncomfortable night in the hospital he began to worry about his condition. He wanted to find out first hand what his condition really was.

Putting on the old thinking cap, Kooles said he went to a telephone in the corridor and dialed the hospital.

"Could you tell me the condition of Gus Kooles?" he asked.

"His condition is good and he had a very good night," was the answer.

TOO MANY FOR THE ROAD
ATHENS, Greece — It may have been "all Greek" to some, but police here had the answer as to a major cause of recent series of accidents on the Salonica-Athens Highway.

Police attributed most of the accidents to the condition of the road, made slippery by wine dripping from barrels of Northern Greek wine transported here on rickety trucks.

THEIR FACE WERE LIKE THEIR TRUCKS . . . RED
ESTELIEN, S. D. — The garage of Fire Chief Dean Eisenach burned to the ground here while members of the volunteer fire department stood by helplessly.

They arrived with their truck only to discover that the pumping equipment wasn't adequate and that no one knew how to operate it anyway.

TOOTHPRINTS FIT BUT FAIL TO PUT 'BITE' ON SUSPECT
LONDON — A laborer was freed here recently on a charge of breaking into a fruit store when an expert testified that toothmarks on a pear identical with the defendant's might belong to another person.

Toothprints, the expert testified, are not as unlike as fingerprints.

EASY DOES IT
IOWA CITY — Coeds at the State University of Iowa are taking a special physical education course this fall. It's called "Relaxation," and is "sort of a remedial course for girls who are overly tense," said a university official.

ECST HAS FIRST VESPER
The first Fall Vesper Service at Elizabeth City State Teachers College heard Dr. Walker Ridley, President stress the intention of that college to provide students the opportunity to develop a sound philosophy of life before they are ready to go out into the world. Describing and defining the three basic philosophies of Materialism, Idealism and Pragmatism, he suggested that a functionally operative philosophy must take what is best from each of these and weld it into a workable mental balance.
